**CARTOON NETWORK
CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS
FOR CHILDREN'S PROGRAMMING**

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid Compliance for Turner Broadcasting System, Inc. (“Turner”), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from January 1, 2016, to March 31, 2016:

- 1) I am familiar with the statutory limits of the Children’s Television Act of 1990 (the “Act”) and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children’s programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Turner treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as “children’s programming” for the purposes of the commercial limits set forth in the Act except for its telecast in the “Adult Swim” block of programming created for an adult audience that airs late night seven days a week.** On a weekly basis, therefore, approximately 98 hours of television programming were treated as “children’s programming” for the purposes of the commercial limits set forth in the Act.
- 3) Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) To the best of my information, knowledge and belief, there was only one instance in which the commercial limits were exceeded during the period noted above. On January 9, 2016, the commercial matter broadcast on Cartoon Network exceeded the statutory limits by 32 seconds in the hour between 7 to 8 p.m. pm due to an unintentional human error. A detailed account of this incident is attached as Exhibit 1.
- 5) Cartoon Network regrets this incident. We respectfully request that this incident be viewed in the context of the vast amount of children’s programming that Cartoon Network has telecast during this period and in the past years without incident and in full compliance with the KidVid rules and regulations.

Certified by me this 5th day of April, 2016.

Toni Millner
Assistant General Counsel and
Vice President - Kid Vid Compliance
Turner Broadcasting System, Inc.

* “Children’s programming” for the purposes of the commercial limit means “programs originally produced and broadcast primarily for an audience of children 12 years and under.”

**During this period, the “Adult Swim” block of programming aired from 8 p.m. to 6 a.m., 7 nights a week. The Adult Swim block contains regular warnings to notify and remind viewers that the content is intended for an adult audience, and is not considered “children’s programming” subject to the commercial limits set forth in the Act

Exhibit 1

On Saturday, January 9, 2016, a Cartoon Network Broadcast Operations Center (“BOC”) supervisor made an unintentional mistake that resulted in a technical commercial overage in the commercial time limits in the hour between 7 p.m. and 8 p.m. on Cartoon Network.

The BOC supervisor was handling an infrequent weekend request to replace a commercial in the network’s scheduled play list with a new version of the commercial. The supervisor inserted the new version of the commercial, but did not recognize that the new version was a 30-second spot and longer than the original 15-second version. The new spot aired 3 times before the error was caught and remedied. As a result, Cartoon Network inadvertently exceeded the weekend commercial time limits by 32 seconds during the hour between 7-8 p.m.

The incident was the simple result of human error. The operations center personnel who had received training and appreciated the importance of the KidVid rules and procedures have been reminded to exercise care to ensure that any commercial substitutions in children’s programming take into account the time limits.

Re: Certificates of Compliance for the Children's Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 1st Quarter 2016. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

- 1. Go to the Turner Resources web site at www.TurnerResources.com. [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage for TurnerResources.com, you will find the Children's Television Programming certificates of compliance by clicking on a "link" called "FCC Compliance."**

If you have any questions, please contact me at (404) 827-3395 or e-mail sherry.kangalee-carter@turner.com. Thank you for your continued carriage of the Turner networks.

Kindest Regards,

**CARTOON NETWORK
CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS
FOR CHILDREN'S PROGRAMMING**

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid Compliance for Turner Broadcasting System, Inc. (“Turner”), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from January 1, 2016, to March 31, 2016:

- 1) I am familiar with the statutory limits of the Children’s Television Act of 1990 (the “Act”) and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children’s programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Turner treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as “children’s programming” for the purposes of the commercial limits set forth in the Act except for its telecast in the “Adult Swim” block of programming created for an adult audience that airs late night seven days a week.** On a weekly basis, therefore, approximately 98 hours of television programming were treated as “children’s programming” for the purposes of the commercial limits set forth in the Act.
- 3) Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) To the best of my information, knowledge and belief, there was only one instance in which the commercial limits were exceeded during the period noted above. On January 9, 2016, the commercial matter broadcast on Cartoon Network exceeded the statutory limits by 32 seconds in the hour between 7 to 8 p.m. pm due to an unintentional human error. A detailed account of this incident is attached as Exhibit 1.
- 5) Cartoon Network regrets this incident. We respectfully request that this incident be viewed in the context of the vast amount of children’s programming that Cartoon Network has telecast during this period and in the past years without incident and in full compliance with the KidVid rules and regulations.

Certified by me this 5th day of April, 2016.

Toni Millner
Assistant General Counsel and
Vice President - Kid Vid Compliance
Turner Broadcasting System, Inc.

* “Children’s programming” for the purposes of the commercial limit means “programs originally produced and broadcast primarily for an audience of children 12 years and under.”

**During this period, the “Adult Swim” block of programming aired from 8 p.m. to 6 a.m., 7 nights a week. The Adult Swim block contains regular warnings to notify and remind viewers that the content is intended for an adult audience, and is not considered “children’s programming” subject to the commercial limits set forth in the Act

Exhibit 1

On Saturday, January 9, 2016, a Cartoon Network Broadcast Operations Center (“BOC”) supervisor made an unintentional mistake that resulted in a technical commercial overage in the commercial time limits in the hour between 7 p.m. and 8 p.m. on Cartoon Network.

The BOC supervisor was handling an infrequent weekend request to replace a commercial in the network’s scheduled play list with a new version of the commercial. The supervisor inserted the new version of the commercial, but did not recognize that the new version was a 30-second spot and longer than the original 15-second version. The new spot aired 3 times before the error was caught and remedied. As a result, Cartoon Network inadvertently exceeded the weekend commercial time limits by 32 seconds during the hour between 7-8 p.m.

The incident was the simple result of human error. The operations center personnel who had received training and appreciated the importance of the KidVid rules and procedures have been reminded to exercise care to ensure that any commercial substitutions in children’s programming take into account the time limits.

- 2) Turner has treated all of the programs telecast on Boomerang as “children’s programming” for the purposes of complying with the commercial limits set forth in the Act.
- 3) Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.

I, Toni Millner, in my capacity as Assistant General Counsel for Turner Broadcasting System, Inc. ("Turner"), certify that:

- 2) The FCC Rules require cable operators to maintain certain records regarding their compliance with the advertising limits imposed on children's television programming. These advertising limits and compliance reporting obligations do not apply to cable networks that do not carry "children's programming" as defined under the Act.
- 4) To the best of my information, knowledge, and belief, no "children's programming" has been telecast on NBA TV in the past quarter, nor is scheduled to be shown in the foreseeable future.
- 5) If there are any material changes in the programming policies of the television network so that children's programming is telecast on NBA TV (or in the event that the reporting obligations under the FCC Rules are changed), notice and updated certifications reflecting such changes will be provided.

April 8, 2016

Dear Affiliate:

On behalf of ESPN, Inc., ESPN Classic, Inc. and ESPN Enterprises, Inc. the following is notification regarding the Children's TV Act and closed-captioned programming for the first quarter of 2016.

Children's TV Act

The Children's Television Act of 1990 (the "Act") and the FCC's regulations pursuant thereto require that cable and certain other television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act with respect to "children's programming."

Neither ESPN, Inc. (i.e., ESPN, ESPN2, ESPNEWS, ESPN Deportes, ESPNU, ESPN Buzzer Beater, ESPN Goal Line, ESPN Bases Loaded, ESPN SEC, ESPN College Extra, or Longhorn), ESPN Classic, Inc. (i.e., ESPN Classic), nor ESPN Enterprises, Inc. (i.e., ESPN VOD) aired any programming deemed children's programming under the Act. Therefore, no further disclosure is currently needed with respect to those networks.

Closed-Captioned Programming

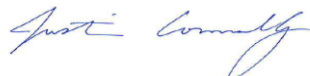

For the first quarter of 2016, please refer to the table below for the hours of new programming telecast on our networks and the portion thereof that was closed-captioned. In addition to the information on the table below, 100% of the required programming on ESPN3 was closed captioned, and SEC+ is not yet subject to minimum closed captioning rules. CHILDREN'S PROGRAMMING CERTIFICATION

1st Quarter (Jan 1, 2016 through March 31, 2016)

This is to certify that the list set forth below identifies all programs and series aired by SonLife Broadcasting Network during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by SonLife Broadcasting Network as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.
