Weather Report

Broadcast Date: 04/01/2021

Rob: Joining us once again this week from the Bobby G & Company Show's Sky One Weather Chopper, my wife and our Chief Meteorologist, Hope Goff. Good Morning, Honey.

Hope: Good Morning, Guys. (pause) Welcome back, Angela. Today we will be starting off with showers then turning cloudy in the afternoon with winds between 15-25mph with higher gusts possible. Our high will be 48'. Tonight there is the possibility of showers or even some flurries in the higher elevations. The winds will be between 10-20mph and a high of 27'.

Rob: Higher elevations, like Joy's house out in the sticks?

Hope: Yep, pretty much. Sunrise was at 6:32 and our sunset will be at 7:16 this evening.

Rob: So how is the weekend looking and especially Easter?

Hope: It's looking overcast both Friday and Sunday but Saturday is looking like a nice sunny day. Friday's high will be mid 40's and Saturday and Sunday will be in the lower to mid 50's. Sunrise service on Easter Sunday will be chilly but dry, just remember to bundle up.

Rob: Let's stop and get breakfast this year after the services, then back to bed. Well, I know that you need to get ready for your day

and bring Sky One back to base. So, have a great day and I'll see you for lunch.

Hope: Sounds good. Have a great show guys! This is the Chief Meteorologist for the Bobby G & Company Show, Hope Goff, signing off until next time. Have an awesome day and remember to take a moment to enjoy the weather. Have a Happy Easter everyone!

Rob: Joining us, once again this week, from the Bobby G & Company Show's Sky One Weather Chopper, my wife and our Chief Meteorologist, Hope Goff. Good Morning Honey.

Hope: Good Morning, Guys and welcome back Lynn. (pause) Today is going to be an awesome day with intervals of clouds and sunshine and a high of 69' with light winds between 5 – 10mph. Tonight will get a little more chilly though with a low of 41' with a few clouds and the same winds.

Rob: That does sound like an awesome day!

Hope: Makes me want to take the day off from work and enjoy it. Sunrise was at 6:20 and sunset will be at 7:24 this evening.

Rob: Days are getting longer! How is the weekend looking?

Hope: Well both Friday and Saturday will be a combination of clouds and sunshine with highs in the lower 70's but Sunday will be overcast with rain showers and a high of only upper 50's.

Rob: Okay, even with the rain on Sunday, the weekend still looks pretty good overall. I know that you need to get ready for your day and also get Sky One back to base, so have a great day and I'll see you later for lunch.

Weather Report

Broadcast Date: 04/22/2021

Rob: Joining us, once again this week, from the Bobby G & Company Show's Sky One Weather Chopper, my wife and our Chief Meteorologist, Hope Goff. Good Morning Honey.

Hope: Good Morning Guys. (pause) Today we can expect a partly to mostly cloudy day. It's going to be pretty windy out there too, with winds between 20 – 30 mph and gusts over 40 mph. Today's high will only get to the upper 40's and our low tonight will be in the lower 30's with a scattered frost possible in some areas.

Rob: What happened to the nice warm weather???

Hope: That's gone for the time being. Sunrise was at 5:58 and our sunset will be at 7:40. At least the days are still getting longer.

Rob: What's the weekend looking like?

Hope: Well Friday and Saturday will be nice with temperatures in the 60's both days, Friday will be windy again though with Saturday being the best of the weekend. Sunday we have rain coming back to the area with temps only reaching into the upper 50's at best.

Rob: I'll look forward to Saturday then. I know that you need to get Sky One back to base and also get ready for your day. I'll see you later for lunch.

Hope: Okay, sounds good. Have an awesome show guys. This is the Chief Meteorologist for the Bobby G & Company Show, Hope Goff, signing off until next time. Be safe and remember to enjoy the weather.

Weather Report

Broadcast Date: 04/29/2021

Rob: Joining us again this week from our Bobby G & Company Show's Sky One Weather Chopper, my wife and our Chief Meteorologist, Hope Goff. Good Morning, Honey.

Hope: Good Morning, Guys. (pause) Today will be a rainy one, with periods of rain throughout the day and into the evening. We can expect a high of 66', with winds between 5 – 10mph. Rainfall will be near half an inch. Tonight, the rain will stay around with showers continuing until late. Our low will be 53', with the winds remaining at 5 – 10mph. We will add, up to, another half inch of rain before all is said and done.

Rob: It's been so nice lately, I don't even mind a day of rain.

Hope: Oh, Yeah. It's been gorgeous out there lately. Our sunrise was at 5:48 and our sunset will be at 7:47pm this evening, although we won't be able to see it.

Rob: Ok, so we get the rain out of the way today, any hope for a nice weekend?

Hope: Well, Friday will be partly cloudy but windy, with a high of 63'. Saturday will be the pick of the weekend though with a high of 62' and only a few clouds. The sun will be making an appearance! Sunday will have cloudy skies with a high of 74'. But no real chance of rain in the forecast for the whole weekend!

Rob: Now that sounds like another awesome weekend on tap. I know that you need to get Sky One back to base and get ready for work. Have a great day and I'll see you for lunch.

Hope: Sounds good. You guys have an awesome show! This is the Chief Meteorologist for the Bobby G & Company Show, Hope Goff, signing off until next time. Be safe and remember to enjoy the weather.
