WJAR news station. The September 16, 2018, 6p coverage of Hurricane Florence was very "jumpy" and hard to follow. This is important information that the deaf and hard of hearing community need to know! Please encourage them to use quality captioners!!

WJAR news station. Sept. 16, 2018, 6pm newscast. Segment on Hurricane Florence was "jumpy" and very hard to read, if at all. Please, the deaf and hard of hearing community deserve quality captioning!
