

QUARTERLY ISSUES-RELATED PROGRAMMING REPORT

Fourth Quarter 2016: October - December

The following report reflects the most significant issues and problems in this community. These issues were derived from careful observation of a cross-section of various local media including newspaper, radio, and television reports among others. Local citizens were also informally polled and their opinions were considered in the compilation of this list.

The issues in this report have been addressed in the programs listed as well as through our regularly scheduled programs, newscasts, and public service announcements. This report has been prepared by the staff of the Bible Broadcasting Network.
