## **Board of Trustees Annual Trainings: Human Trafficking Training -April 17, 2018**

According to Ohio Revised Code Section 340.02 (F) *"each year each board member shall attend at least one in-service training session provided or approved by the Department of Mental Health and Addiction Services."* To satisfy this requirement as well as support the MHR SB Strategic Planning and Inclusion Council efforts, Celia Williamson, Ph.D provided a general overview of human trafficking in Ohio and Toledo, including prevalence, the types of trafficking, how trafficking works, who is involved, the experiences of victims, and what substance abuse and mental health systems can do to identify, report, and address human trafficking on a continuum of care from direct service responses to establishing responsive policy. The training is available below.
