Each Newscasts is 5 to 10-minutes in length and features a variety of reports.

At 7:30AM Mon-Fri – The Morning Briefing: 10-mins of World & National News

The Morning News Service airs from 7-9am – two full hours of news, weather, sports, travel updates, commentary, interviews, plus studio and phone guests. WDEV employs our own forecaster Roger Hill who details the micro-climate of the region while watching major national weather stories and climate change. The MNS is produced by Radio Vermont News with additional world and national updates from CBS Radio News.

Radio Vermont News has developed reporter relations with WCAX-TV Channel 3 News. Monday-Friday reporter Alexandra Montgomery joins the Morning News Service with a “live” interactive update to explore stories in much greater depth than available from wire service reports.
