

# FCC PUBLIC FILE ISSUES/PROGRAM LIST

2024 1st Quarter

ISSUE: Vaping Awareness

Program & Discussion: In conjunction with the Inyo County of Education, KIBS/KBOV conducted a month long campaign aimed at increasing the awareness of Vaping among school teenagers. This included running news and community announcements for a Parent Education Night titled “Vaping 101 & How to Help Your Child Not Start”.

Date: January 1st-January 16th

---

---

ISSUE: Winter Storms Coverage

Program & Discussion: Winter storms impacted the broadcast area during January and February of 2024. Impacts included extended periods of road closures in Inyo and Mono Counties. In our immediate area (Bishop, California) impacts also included heavy rains.

Date: January through March

---

---

ISSUE: Colorectal Cancer Campaign

Program & Discussion: KIBS/KBOV news dedicated several news reports on the issues of Colorectal Cancer, including announcements regarding Clorectal Screenings and Healthy Lifestyle Talks by the Northern Inyo Hospital District

Date: February & March 2024
