

FCC PUBLIC FILE ISSUES/PROGRAM LIST

2023 3rd Quarter

ISSUE: Excessive Heat Campaign

Program & Discussion: KIBS/KBOV News ran several Unified Command campaigns advising community members of the dangers of the extreme heat that our region experienced in July.

Date: July, 2023

ISSUE: Flooding Issues

Program & Discussion: KIBS/KBOV included news updates and special announcements as our region experienced significant flooding in August. Several of our roads, including the main highway, were shut down and several communities were cut-off due to impassable roads.

Date: August 2023

ISSUE: Northern Inyo Healthcare District Layoffs

Program & Discussion: KIBS/KBOV News worked with the Northern Inyo Healthcare District in informing the community of layoffs. Northern Inyo Healthcare District is the only hospital in the Bishop area and impacts are felt in our small community.

Date: September 11, 2023
