Synopsis: Hawaii County's reopening gyms on Nov. 1st. Mayor Mitch Roth shares how Hawaii County's easing COVID-19 restrictions slowly to ensure the safety of the public during the pandemic.

Date: 10/30

SHOW: 6 & 10pm

Length: 2:00

Synopsis: Some of Hawaii's frontline healthcare workers are getting much needed support in the form of a four-legged friend. We introduce you to "Samson", a new therapy dog at Queen's Medical Center. Unlike other hospital dogs who provide comfort to patients, Samson is trained specifically to address the issue of mental health support to health care staff.

DATE: 11/2

SHOW: Midday

LENGTH: :25

DESCRIPTION: The Honolulu Fire Department was able to provide Oahu residents with more than 2,000 free at-home covid-19 test kits. They were holding a distribution drive. Each kit had eight tests that are meant to be used by one person to help address the issue of testing for covid-19.

DATE: 11/4/21

SHOW: 6AM/Midday

LENGTH: :25

DESCRIPTION: Hawaii county reopened its gymnasiums and community centers. After months in the pandemic and the issue of public health restrictions on gatherings, people were able to once again have organized activities.

DATE: 11/4/21

SHOW: 6AM/Midday

LENGTH: :15

DESCRIPTION: After months during the pandemic, the issue of restrictions is addressed as indoor facilities and city county parks also reopened. Spectators were also allowed to be indoors.

DATE: 11/8

SHOW: 5/6/10PM

LENGTH: 1:33

DESCRIPTION: Law enforcement across the state is stepping up impaired driving enforcements to address the issue ahead of the holiday season because alarming statistics of irresponsible drivers are on the rise.

DATE: 11/10

SHOW: 5/6/10PM

LENGTH: 1:45

DESCRIPTION: There's concern over the issue of whether there will be enough healthcare professionals at Kaiser Permanente facilities in Hawaii as the company negotiates with members represented by union Unite Here Local 5, who say they are willing to strike if there's no deal.

DATE: 11/11/21

SHOW: 5/6/10PM

LENGTH: 3:18

DESCRIPTION: Police have seen a dramatic spike in motorcycle fatalities in two counties in Hawaii. On Oahu, police say there's a whopping 250% jump in deaths this year over last. On the Big Island, police say motorcycle deaths are up 36%. They want the public to have these safety tips.

DATE: 11/16

SHOW: 5/6/10PM

LENGTH: 1:33

DESCRIPTION: A new study that looks to treat people with mild Alzheimers is recruiting participants in Hawaii. The injection treatment's goal is to help regenerate cells in someone's brain, to help improve their health condition as researchers confront the issues and challenges of treating Alzheimer's disease.

DATE: 11/17

SHOW: 5/6/10PM

LENGTH: 1:27

DESCRIPTION: Period poverty is a lack of access to products for menstruation. The first study conducted locally exploring that issue has advocates concerned about the health and safety of women. Some school aged children report using newspapers and leaves in replacement of sanitary items.

DATE: 11/18/21

SHOW: 5/6/10PM

LENGTH: 2:43

DESCRIPTION: In Hawaii, Homeland Security Investigations is the second largest federal agency. It's responsible for keeping not just our borders safe - but the community within them. This month, John F. Tobon took over and discussed the issues and challenges facing HSI in Hawaii.

DATE: 11/23

SHOW: 5/6/10PM

LENGTH: 1:36

DESCRIPTION: Covid-19 infection rates in Hawaii are stabilizing and vaccination rates are rising ahead of the holidays. Gov. David Ige believes it's a safe time to re-open Hawaii for local residents by dropping distancing requirements at indoor facilities.

DATE: 11/23

SHOW: 10PM

LENGTH: 1:30

DESCRIPTION: A week before capacity limits and social gathering restrictions were set to be lifted for restaurants and bars on O'ahu, owners said it'll take a while for them to be able to accommodate more patrons months after the rule change. Chief among their concerns was rolling out the lengthy process of hiring new workers, and the fear many would still choose not to dine out due to fear of virus spread.

DATE: 11/25/21

SHOW: 5/6/10PM

LENGTH: 2:42

DESCRIPTION: Air travel is the main way for travelers to come to Hawaii - and it's also the primary way victims of human trafficking arrive here, too. That's why Homeland Security Investigations works with the airline industry on this issue, training employees on HOW to spot victims.

DATE: 11/25

SHOW: 5/6/10PM

LENGTH: 2:23

DESCRIPTION: For health and safety, many organizations and agencies have a COVID-19 vaccination mandate for employees. Religion experts weigh in on the issue, saying the process to prove someone's faith is really up for interpretation

DATE: 11/26

SHOW: 5/6/10PM

LENGTH: 1:16

DESCRIPTION: Healthcare leaders around the world are concerned about the new Omicron COVID-19 variant, first identified in South Africa. Here in Hawaii, there's no concern yet because no cases have been identified. But there are health and safety concerns as this strain could be more transmissible.

DATE: 11/29

SHOW: 5/6/10PM

LENGTH: 1:28

DESCRIPTION: Residents near Joint Base Pearl Harbor Hickam are concerned about their health and safety, after discovering a fuel-like odor in their water. Despite the navy saying it's safe to consume, many people are still wary.

DATE: 11/30

SHOW: 5/6/10PM

LENGTH: 1:29

DESCRIPTION: Some residents that live in military housing are concerned about their health and safety after smelling fuel-like odor in their tap water. Some families took extreme measures and temporarily moved.

DATE: 12/6

SHOW: 5/6/10PM

LENGTH: 2:03

DESCRIPTION: The Navy secretary provides an update on the on-going investigation on why residents in the Joint Base Pearl Harbor Hickam area smell fuel-like odor in their tap water. NAVSEC Carlos Del Toro also responded to residents' concern over their health and safety.

DATE: 12/7

SHOW: 5/6/10PM

LENGTH: 1:16

DESCRIPTION: As some Oahu residents continue to worry about their safety over their drinking water that smell like fuel, Governor David Ige says he's working with Navy leaders to investigate the cause and ensure there is clean drinking water.

DATE: 12/8

SHOW: 5/6/10PM

LENGTH: 1:19

DESCRIPTION: As the holiday season approaches, investigators with the Homeland Security Investigations say be aware of toys for children. Some cheaper products might be made with materials that are harmful for children.

DATE: 12/10

SHOW: 5/6/10PM

LENGTH: 1:41

DESCRIPTION: A senior White House Covid-19 equity advisor says his team is hoping to continue improving vaccine access for people in the U.S. He believes one way to improve infection rates is by having deeper data analysis for certain populations such as breaking up data between Pacific Islanders and Asians.

DATE: 12/13

SHOW: 5/6/10PM

LENGTH: 1:45

DESCRIPTION: The Board of Water supply ensures the public its water supply is safe to consume and free of contamination, as the Navy continues to investigate how its Red Hill shaft became contaminated.

DATE: 12/14

SHOW: 5/6/10PM

LENGTH: 1:09

DESCRIPTION: COVID-19 case counts are slowly rising again. Lieutenant Governor Josh Green says the focus should be getting the community to receive a booster shot ahead of the holidays to prevent case counts from spiking after the holidays.

DATE: 12/15

SHOW: 5/6/10PM

LENGTH: 1:26

DESCRIPTION: With the rise COVID-19 case counts, comes discussion of potentially rule changes. Honolulu Mayor Rick Blangiardi says unless hospitalization numbers go past 300, the same rules will remain.

DATE: 12/17

SHOW: 5/6/10PM

LENGTH: 1:28

DESCRIPTION: The state reported the highest single-day COVID-19 case count since September, causing Governor David Ige and health department director Dr. Libby Char to sound the alarm. They say it's a sign Omicron will be the dominant strain by early next year.

DATE: 12/20

SHOW: 5/6/10PM

LENGTH: 1:48

DESCRIPTION: The Omicron variant of COVID-19 has not reached neighbor islands yet, but a physician on Maui says it's a matter of time before the variant affects his community. To prepare, different facilities have different plans to protect the safety of patients.

DATE: 12/21

SHOW: 5/6/10PM

LENGTH: 1:12

DESCRIPTION: Testing demand has gone way up as COVID-19 infection rates continue to climb. Lt. Gov. Josh Green has recommendations for more providers to host testing clinics ahead of the holidays to prevent a surge in cases after the holidays.

DATE: 12/27

SHOW: 6/10 p.m.

LENGTH: 1:44

DESCRIPTION: A hearings officer reaffirmed a state order demanding the Navy cease operations at the facility, drain the 250 million gallons of fuel from its underground tanks, and install a drinking water treatment plan. Over the past 80 years, 200,000 gallons of fuel leaked from the tanks.

DATE: 12/29

SHOW: 6/10 p.m.

LENGTH: 1:30

DESCRIPTION: The state announced it is cutting its isolation and quarantine periods from 10 days to 5. Health officials say the reasoning behind the reduction is those who contract the virus are most infections in the two days before and three days after they develop symptoms.

HAWAIIAN CULTURE

Date: 10/6

SHOW: 10pm

Length: 30 sec.

Synopsis: Hawaii's own Bretman Rock made history, becoming the first openly gay man to star on the cover of Playboy.

Date: 10/7

SHOW: 6 & 10pm

Length: 1:05

Synopsis: A newly-established task force is studying the issue of missing & murdered Native Hawaiian women & girls.

Date: 10/7/2021

SHOW: 5 PM

Length: 0:20

Synopsis: UH asks public to give comment on decommissioning a telescope on Mauna Kea, an issue for Native Hawaiians.

Date: 10/8

SHOW: 10 pm

Length: 1:00

Synopsis: Dozens of people march to UH Manoa campus in opposition of the construction of the

Thirty Meter Telescope on Mauna Kea. Some believe that due to virtual meetings during COVID, they're concerns are not being properly heard.

Date: 10/14

SHOW: 5 PM

Length: 0:25

Synopsis: UH extending public testimony on its draft environmental assessment to decommission an observatory on Mauna Kea.

Date: 10/27

SHOW: 5 PM

Length: 0:45

Synopsis: U.S. Senators meet to talk about the issue of the language barrier in the voting process. Hawaii U.S. Senator Schatz says how he hopes to make sure Native Hawaiian votes count during elections.

DATE: 12/12

SHOW: 5, 6, 10 p.m.

LENGTH: 1:40

DESCRIPTION: During a rally calling on the Navy to shut down its Red Hill fuel facility, activists educated the public about the American Military's ongoing illegal occupation of Hawai'i. The activists explained that because Hawai'i was never annexed by the United States, Hawai'i should not be under US control.
