Quarterly Community Issues Report
1st Quarter, 2019

February, 2019

ISSUE: increase presence in the community

ACTION: prospects of hiring part time office help were discussed. A main benefit would be an increased window of contact with the public.

February, 2019

ISSUE: improved benefit to the public during weather emergencies

ACTION: DJs were informed that weather updates will now be sent to the dj email account in the studio and that all relevant items should be read over the air.

March, 2019

ISSUE: increased cooperation with arts community

ACTION: Attended the Arts and Crafts Affinity Gathering to discuss possible cooperative actions
