Summary of Major Issues Treated During the Quarter:

Business/Economy/Consumer – FOX 29 Consumer Reporter Michelle Williams teams up with “Consumer Reports” to offer viewers regular in-depth segments on products and services which include how-to’s, reviews, and where to get the best deals for your money.

Crime – In an effort to help Philadelphia combat its ongoing murder problem, FOX 29 reporter Dave Schratwieser regularly reports on “FOX Unsolved,” a series which tells the story of a person who has been murdered and their case is unsolved. The series is designed to garner leads and tips for police from viewers who might have information to help solve the crime.

Environment – “FOX e” is a regular series of stories focusing on environmental issues from saving energy, to recycling, to living a “green” life. FOX 29 news anchor Kerri-Lee Halkett regularly reports on “Trash Talk,” a series of reports in which FOX 29 profiles an area or neighborhood suffering from trash and blight. We put a team of volunteers together, along with residents of the area, and clean it up. The story follows the progress of the area from pre-clean-up to post clean-up, and profiles volunteers making a difference.

Government – In this busy election season, FOX 29 reports regularly on both local, state and national candidates and the issues that effect the election. Stories educate viewers on candidates’ positions on the issues and offer commentary on how that will affect local viewers.

Health & Medical – FOX 29 Medical Reporters Dr. Mike Cirigliano and Dr. Brian McDonough report the latest medical news in “Health Talk.” This quarter FOX 29 partners with the Alzheimer’s Association of the Delaware Valley to focus on the growing issue of Alzheimer’s Disease, which affects many viewers in our area. The campaign features regular reports on the programs and services of the Alzheimer’s Association, as well as personal stories of viewers who have been affected by Alzheimer’s Disease. The campaign culminates with the annual “Alzheimer’s Association Memory Walks” which raise funds and awareness of the issue.

Youth – Every week, FOX 29 reports on the Police Athletic League in Philadelphia, which is a non-profit organization in which Philadelphia police come together to serve as role models for young people and attempt to keep them off the streets and out of trouble. Most often the story focuses on an outstanding PAL kid and how PAL has changed their life, but occasionally the stories focus on PAL officers, volunteers, or programs at the PAL center.
