**Issue:** Public Health/Safety/Welfare

**Description of program:**

International advocacy organization Global Citizen produced *VAX LIVE: The Concert to Reunite the World*, a global broadcast and streaming special that aims to inspire vaccine confidence worldwide and help get the COVID-19 vaccines to everyone, everywhere. During the special, Global Citizen will call on philanthropists and corporations to donate enough “dollars-for-doses” to vaccinate more than 27 million heroic health workers that are serving on the global frontlines, in the world’s poorest countries every day. The special also encourages global development advocates and change-makers to call on world leaders to prioritize the equitable distribution of COVID-19 vaccines for everyone, everywhere.

With support from the World Health Organization (WHO), European Commission President Ursula von der Leyen, Prime Minister of Italy and G20 Chair Mario Draghi, and President Cyril Ramaphosa of South Africa, Prime Minister of Norway Erna Solberg, Prime Minister of Spain Pedro Sanchez, and the State of California, the special, hosted by multi-platinum recording artist, actress and producer Selena Gomez, included a night of musical performances by Jennifer Lopez, Eddie Vedder, Foo Fighters, J Balvin and H.E.R.
