Organization: VC Families with Ventura County Children and Family Services

Guests: Jaci Jonson & Stacy De-Witt

CSA has been helping court-dependent children for over 30 years, they partner with the County of Ventura Children & Family Services to provide extras for our kids like the ability to attend camp, help with computers, numbing medication for dental procedures & more. With the help of folks in Ventura County, CSA has been able to provide these additional supports to our families and children. Today I am here to announce that JSH and CSA have come together to carry on the legacy of CSA. JSH is another equally involved and caring non-profit organization that partners with the County of Ventura. They will ensure the important work of CSA will go long into the future, have many other programs to help strengthen families such as a food pantry, skills classes, mentoring classes. We even have a transportation program where we provide donated cars to families and aged out youth.

Organization: The River Community Church Of Ventura

Guests: Jim Duran

We call ourselves The River Community because we believe that churches ought to flow like a river and not sit motionless like a lake. People that step into a lake generally exit from the same place they entered. When a person enters a river they will always exit at a different place; they have been moved by the current. Our goal is to move people further along their spiritual journey with Christ than when they first entered The River. Our goal is to provide a space where men can gather, get to know each other, and discover their next faithful step in their spiritual journey. Come be a part of a welcoming community where you will learn about the word of God and discover how to apply it to your everyday life. Ages 18-35 Working with many non-profits within the community Tender Life, The City Center and many others within the Ventura County area helping providing people who are living in the streets of our community a place to stay and sleep during bad weather conditions

Organization: Kids & Families Together

Guests: Amy Huot

Kids & Families Together is a nonprofit support, education, and counseling resource center that provides services for individuals and families in foster/resource care, kinship care, legal guardianship, adoption, as well as birth families, for the preservation of families and the physical, emotional, and mental health of children. We opened our doors on January 1, 2000, after various individuals in the foster/resource, kinship, and adoptive communities came together to discuss the gaps they saw in services throughout Ventura County.

Kids & Families Together is a contractor for Ventura County Human Services Agency and Ventura County Behavioral Health. “Power of Love” FUN-raising Event! The event was an overall success and truly captured the LOVE we share among K&FT staff, family, friends, and the Ventura County families that our programs serve! We raised over \$20,000 to support the work we do at K&FT supporting Ventura County foster/resource, kinship, adoptive and birth-families!

Organization: Ventura Downtown Lions Club

Guests: MAYA ZUMAYA

The Ventura Downtown Lions Club, originally called the Lions Club of Ventura, was chartered on April 27, 1923 by such visionaries as Fred W. Smith (president 1933-34) who went on to become President of the International Association of Lions clubs in 1947-48, and Erle Stanley Gardner, famous attorney, writer, and “father” of Perry Mason (protagonist of many murder mystery books and a popular television series). The past 8 decades have seen many successful fundraising projects initiated by the Ventura Downtown Lions Club. The club has contributed to a variety of local organizations and individuals. A partial list includes camper-ships for deaf children, support for the QUEST and DARE programs in our local schools, scholarships for local students, and annual Thanksgiving food baskets for families in need. Other organizations which have benefited are Meals on Wheels, Project Understanding, Habitat for Humanity, Lions Dennison Park Foundation and Rainbow Park. Sometimes, when money isn’t enough, we roll up our sleeves and get to work.

Organization: Reel Guppy Outdoors – Catch a Memory

Guests: KEVIN BRANNON Founder & President

A OUR VISION

We envision taking 400 kids on educational fishing adventures a year, while providing every young person with tools, motivation, and guidance to help them succeed in life, demonstrating and developing character, and inspiring them to pursue their dreams Our program is instilling an appreciation for natural resources across the country and spawning the next generation of sportfishing and outdoor enthusiasts. Participating youth experience everything hands-on, constantly engaged no matter how the fish are biting that day. While parents are equipped with fishing know-how so they can confidently take their family to “catch a memory” together outside of the fishing trips we coordinate and supervise. What a rewarding year – We’re on track to double our goal of taking 400 kids fishing! Thank you for your trust and support, this is what makes us grow. We plan to push forward until every family has the opportunity to Catch a Memory among our

beautiful natural resources across the country. Let's Go Catch a Memory!
