PUBLICATION OF CHILDREN'S PROGRAMMING REPORTS

1/03/18

KLSR makes the following efforts to educate the public regarding our children's educational programming:

- A weekly rundown is sent with our weekly program grids to all publications, listing our educational programming titles, date and time it airs as well as targeted age groups. These are sent to: The Register Guard, Rovicorp(TV Guide), FYI Television, Macrovision and Tribune Media. Tribune Media is responsible for providing guide information to The Register Guard, The Cottage Grove Sentinel and Coos Bay Worldlink publications, as well as other smaller newspapers in our community.
- Station identifies core children's educational/informational programming by displaying throughout the program the "E/I" icon.
- Station airs promos informing the public of the existence and location of KLSR's children's programming reports and the Public File.
