### PUBLIC AFFAIRS RELATED PROGRAM DESCRIPTIONS

---

**DAV Minnesota Chapter 10. Hotdish Festival** Jan, 8th-Feb, 2nd. 200 :60 psa's. These promotion announcements invited listeners to a fundraiser for female vets. Live music, hotdishes and auction items. The proceeds benefited local female Disabled Vets.

**DAV Minnesota Chapter 10. Hotdish Festival "Live Broadcast** Feb, 2nd. 10am-2pm  
10 2min live talk sets to talk about the need for helping female vets with health issues and homelessness. Listeners were invited to a fundraiser for female vets at the Morson Ario VFW 950 in Mankato. Live music, hotdishes and auction items. The proceeds benefited local female Disabled Vets.

**St. Jude Radiothon March 13th & 14th 6am-6pm both days:**

This was a two day 12 hour radiothon each day. We invited listeners to become a partner in hope. The funds raised helped kids with cancer and other diseases. We also informed listeners on what St. Jude does for their patients and how they share their research with other hospitals and clinics who help cancer patients.

**My Place - Erin Simmons Feb, 15th 8:05am 3min:**

Erin came in to talk about the opening their newly built gym for My Place. This is an after school program where kids can be safe until their parents get home. They get extra help with school

assignments, activities and something to eat. We also invited listeners to help with donations to keep My Place running.

**My Place - Erin Simmons - MyPlace Update/Schwarma fundraiser 1-17-24 3 min**

This is an after school program where kids can be safe until their parents get home. They get extra help with school assignments, activities and something to eat. We also invited listeners to help with donations to keep My Place running.

**Dr. Angie Schuck - North Mankato Family Dentistry - Give Kids A Smile 1-30-24 2 min**

The doctor talked about their free dentistry to kids in need. These are free services for dental care offered by North Mankato family Dentistry and other local dentists to area kids who do not have access to a dentist.

**My Place - Erin Simmons - MyPlace Reading program 3-6-24 3 min**

Erin talked about the Reading Program and the need for more books and volunteer readers. This is an after school program where kids can be safe until their parents get home. They get extra help with school assignments, activities and something to eat. We also invited listeners to help with donations to keep My Place running.

**Mankato Hub Saturday and Sunday Mornings 5:35am**

- **Erin Simmons Jan, 20, 21 and Feb, 17 & 18 4:21min** - Erin came in to talk about the opening their newly built gym for My Place. This is an after school program where kids can be safe until their parents get home. They get extra help with school assignments, activities and something to eat. We also invited listeners to help with donations to keep My Place running.
- **Andy Wilke** - Greater Mankato Growth - Upcoming events. Andy talked about events that were coming up and how listeners and businesses can participate.
- **Paul Peterson** - MAPS Superintendent Feb, 10th, 11th: Paul provided an update on how the school year is going. Testing for students k-12 so far, safety concerns and upcoming days off.
