

CERTIFICATION OF COMPLIANCE
WITH CHILDREN'S TELEVISION COMMERCIAL LIMITS

During the period listed above, the CBS Television Network ("CBS"), a unit of CBS Corporation, disseminated to its owned and affiliated stations the following weekly programs originally produced and broadcast primarily for an audience of children 13 to 16 years old:

LUCKY DOG
DR. CHRIS PET VET

THE CBS DREAM TEAM, IT'S EPIC!
Network Information for Responding to Form 398

Each of these children's programs listed below has been designed with the significant purpose of serving the educational and informational needs of children and can be cited toward fulfilling the FCC's three-hour-a-week core programming requirement that became effective September 1, 1997, provided that your station is in compliance with the other aspects of the FCC's rules that enable a children's program to be designated a core program (including, among other requirements, that the program be broadcast between 7:00am and 10:00pm local time and be regularly scheduled as defined by the FCC).

As is the current practice, there is, and in the upcoming quarter will be, no End Station Break for local sale at the conclusion of each program. However, five seconds for Local Station Identification will continue to be provided at the conclusion of each program.

Since the Target Audience of "THE CBS DREAM TEAM, IT'S EPIC" is 13-16 year old viewers, the commercialization limit established by Congress in the children's television act of 1990 of no more than ten-and-a-half minutes of commercial time per weekend clock hour is NOT applicable. Each of these programs will be formatted with 7:30 of commercials. Please keep this in mind should your lineup include other children's programming as part of this schedule.

In order to comply with the FCC's on-air identification requirement for educational children's programs, an animated logo will be inserted for approximately five seconds in the lower left-hand corner of the screen at the beginning of each of the six children's programs. It is then immediately followed by a static logo which appears in the same position for the duration of the programs. The logo will feature the letters "E/I" and the CBS Eye.

The CBS Television Network provides information identifying the six children's core programs it supplies to stations affiliated with the Network, including an indication of the target child audience, to the following publishers of program guides nationwide via AP Express to major listing services: TV Guide, TV Data Technologies, Tribune Media Services, and Kidsnet Media Guide and News.
