"Kevin's Room III: Together", 7:30 – 9PM

This is the third and final installment of a series that has won accolades for its positive, realistic portrayal of the issues that faced the African-American LGBT (Lesbians, Gay, Bisexuals, Transgenders) community in the wake of the HIV/AIDS crisis, and it stretches beyond the original premise to address contemporary concerns about violence, sexual identity, and spirituality in the LGBT community. Through the touching story of a community reeling from a cruel shooting at a popular nightclub, this final installment focuses on the healing process by establishing new lines of communication within the community. Shot in a reality-style, this dialogue transcends sexual, gender, and racial boundaries, heightening awareness of issues that often cripple LGBT youth while encouraging viewers to take a proactive approach to their own health.
