

**KUOM - AM & FM**  
**2nd QUARTER 2023 Issues Report**  
**Prepared 7/1/23**

Radio K (KUOM) – Real College Radio - responds to a strong interest from our community in local arts and culture as well as emerging music by providing access to a range of music and upcoming artists not readily available on commercial radio or strictly formatted radio.

Radio K serves this community need by providing programming that is curated by our student DJs that educate the audience and give them exposure to local culture, history, music, emerging music, specific music genres, and live in-studio performances with local bands and bands touring through Minnesota.
