- **THE GIRL WHO HAD TOO MUCH:** How will people react when they witness a young woman – helplessly intoxicated at a bar.
- **BIKE THEFT:** What happens when a thief snatches a bike in broad daylight in a crowded park?
- **LOTTO:** What happens when a store clerk turns out to be a crook and tries to pocket the winning ticket of his Lotto customers?
- **SHOPPING WHILE BLACK:** It's a form of racial profiling so common that researchers have given it a name, Shopping While Black?

Friday, May 14, 2010

- **BATTERED WOMAN:** Do patrons at a diner help a woman seated with an abuser when she seems in obvious danger, or do patrons continue to sit back and eat their meals without intervening?
- **FED UP:** What happens when a mother gets so fed up with her children's misbehaving in the backseat of the car that she forces them out ... will people confront the mother?
- **BREASTFEEDING IN PUBLIC:** "What Would You Do?" explores how people react when a restaurant manager harasses a mother breastfeeding her baby in plain view of others.

Friday, May 21, 2010

- **BEATING THE BREATHALYZER:** Will anyone actually help an inebriated woman start her car?
- **OUT-OF-CONTROL SOCCER COACH:** Will parkgoers intervene when an out-of-control soccer coach pushes a young player beyond his limits?
- **SKYROCKETING PHARMACY COSTS:** Will fellow pharmacy customers come to the aid of an elderly woman who needs a prescription filled but can no longer afford it because insurance won't cover anymore?

PRIMETIME: MIND GAMES

The newest of Primetime's collection of limited series, takes viewers into the darkest corners of the human mind and examines how it can be twisted.

Tuesday, June 22, 2010 (Premiere)

- **SURVIVAL:** Mary Stauffer and her daughter, Beth, were abducted by a psychotic killer in the spring of 1980. The abductor had spent 15 years fantasizing about Mary since she'd been his math teacher at a high school near Minneapolis. ABC News Correspondent Deborah Roberts reports on their ability to outmaneuver their abductor at his own mind game.

Tuesday, June 29, 2010

- **DEADLY TURN:** Many established professionals, traveled to a ranch in Arizona for a five-day retreat that promised the way to personal fulfillment... and they were counting on their host, self-help guru James Arthur Ray, to make it all happen. Held in a closed tent with temperatures at times over 140 degrees, the ceremony is supposed to help unleash your mind's power for a better life. Instead, three people died in the aftermath of the "sweat lodge." ABC News Correspondent Dan Harris reports on the spiritual retreat's games and exercises leading up to the deaths.
