KLWD/KWCF ISSUES/PROGRAMS, 1ST QUARTER, 2020

ISSUE: Coronavirus outbreak

PROGRAM: Life Issues

DURATION: 20 min.

AIRED: 3/10/20, 12 PM; 3/14/20, 9:40 PM; 3/15/20, 7 PM

DESCRIPTION: The COVID-19 or Coronavirus was the subject of discussion with Dr. Michael Cohen, Assistant Professor of Medicine at David Geffen School of Medicine in Los Angeles. Dr. Cohen explained what the virus is and how it may be contracted as well as its impact on health. Dr. Cohen discussed ways to protect from being exposed to the outbreak and possibly spreading the virus. Dr. Cohen encouraged listeners to check the CDC website before making travel plans to reduce the risk. Dr. Cohen also explained that people should avoid contact with wild animals, which could also be carriers of the disease. He also warned about flu viruses that also pose a threat and urged the same cautions and practices such as frequent hand washing, avoiding the touching of the face, eyes or mouth and coughing or sneezing in the front of the elbow. Dr. Cohen says there is no cure or proven vaccine for the Coronavirus as of yet.

ISSUE: Evaluating bulls in advance of breeding season

PROGRAM: Beefwatch

DURATION: 15 min.

AIRED: 3/7/20, 3:30 PM

DESCRIPTION: Host Aaron Berger, extension educator, interviewed Karla Wilke, University of Nebraska Cow/Calf Systems and Stocker Management Director about the process of evaluating and preparing bulls in advance of the breeding season. Wilke explained that, much like cows, bull body condition needs to be evaluated as fat cover over the front ribs, brisket, and tail head. Wilke says that during breeding season, bulls may lose 100-200 pounds and that it is important to start evaluating bull body condition scores 90 days before the breeding season will allow producers time to add the necessary weight to bulls before the busy season.

ISSUE: Prisoners reentering the community after serving their sentences

PROGRAM: Life Issues

DURATION: 30 min.

AIRED: 2/23/20, 11 AM

DESCRIPTION: Host Don Wight and Jeannie Miller, Director of "Second Chance Ministries", a community reentry from prison assistance ministry, discussed the challenges faced by men and women who are released from prison but have no or limited resources to reintegrate back into the community. Miller explained that Second Chance Ministries provides housing, transportation and other vital services that assist residents in getting jobs and being productive members of society, all in a faith based context. Miller also explained how churches, organizations and individuals can contribute and get involved in coming alongside residents to provide spiritual and practical needs. Jeannie also told us of the non profit ministry's annual dinner and auction coming in April to provide necessary funding to assist the ministry.

KLWD/KWCF ISSUES/PROGRAMS- 1ST QUARTER 2020

ISSUE: Developing child learning skills

PROGRAM: Life Issues

DURATION: 30 min

AIRED: 2/20/20 12:25 PM; 2/22/20 9:45 PM; 2/23/20 9:15 AM

DESCRIPTION: Host Don Wight and Campbell County Sheriff Deputy Rick Johnson discussed the 42nd annual Campbell County Children's Festival March 7 from 9:30 AM to 2:30 PM. Johnson discussed the festival's emphasis on teaching and helping children develop a love for learning and the skills necessary to maximize the ability to learn. The theme this year is a barnyard theme to help make learning fun. Johnson also discussed ways parents and adult caregivers can help children love learning from the years of birth to 8, the ages that the foundation for all later learning is developed. Johnson suggested parents and adults take time to really watch, listen and appreciate children, recognize the learning potential of play and everyday activities, read with children, work with the child's teachers and others to improve the quality of early childhood services and to do what you can to make your state and community more attuned to children's needs.

ISSUE: Prosperity in the U.S., the "Green New Deal and the future of political parties

PROGRAM: American Radio Journal

DURATION: 30 min

AIRED: 2/23/20 10 PM

DESCRIPTION: Host Lowman Henry talked with Shaun Flanagan of the Legatum Institute about the United States Prosperity Index and how recent economic policies are effecting it and its role in indicating current economic health and predicting future growth. Scott Parkison discussed the potential economic impact the "Green New Deal" would have on the U.S. if passed by Congress and implemented. Eric Boehm of Reason Magazine discussed the future of political parties and predictions of their lessening influence on the way people vote, possibly leading to the demise of current political parties.

ISSUE: Strength of the American economy, federal funding for the coronavirus outbreak, health care industry stifling competition

PROGRAM: American Radio Journal

DURATION: 30 min

AIRED: 3/1/20 10 PM

DESCRIPTION: Lowman Henry interviewed Phil Kerpenof of American Commitment about the strength of the American economy, despite a bad week on Wall Street. Kerpenof says the nation's overall economy continues to be strong. Scott Parkison discussed the funding necessary to fight the coronavirus outbreak. Eric Boehm of Reason Magazine talked with Matt Mitchell from the Mercatus Center at George Mason University about how the health care industry is using the federal government to stifle competition and the overall raising of health care costs to the public and its impact on families.
