Dear Friends:

We have gratefully received your gift of 156 pounds of food and \$90 given to the Food Bank of East Alabama. By acquiring food through local donations and the national food bank network, every dollar we receive enables us to distribute the equivalent of 7 meals to people in need. Your support is making a real difference in the fight against hunger in East Central Alabama.

This is the happiest time of year for most, but hunger never takes a holiday. The rising cost of living affects all of us but particularly impacts the working poor's ability to make ends meet. From a hungry child in an after-school program to a senior citizen on a fixed income to a working family just trying to stretch a thin paycheck until the end of the month, the Food Bank of East Alabama strives to feed as many of our neighbors in need as we can. None of this would be possible without community support.

Again, I want to thank you for your care and generosity. By working together, we are helping our neighbors and creating hope.

With appreciation,

Martha Henk  
Executive Director
