Over the decades, other needs evolved and so did Deep Well (as it's known on the Island). We help people in emergency situations by giving them an immediate hand up, so they can continue to help themselves. It could be a rent payment between jobs, or food for the family when the cupboard runs bare and cash has all but run out. Or school uniforms for children. Or repairing a floor or building a much-needed wheel chair ramp. OVER 90% OF A CONTRIBUTION GOES DIRECTLY TO PROGRAM SERVICES

Great churches follow Christ wholeheartedly, love each other unconditionally, and serve each other sacrificially. For we are Kingdom builders, we are the assembled believers known as First Zion Missionary Baptist Church.
