Hilton Head News- Karen Worcester	30 Min.	5/17/21	While we have Veterans Day in the fall and Memorial Day in the spring, our servicemen and women sacrifice their time and safety every single day of the year, to preserve our freedoms. That is why our mission to Remember, Honor and Teach lasts all year long, far beyond the single day in December when we coordinate wreath-laying ceremonies. All throughout the year, Wreaths Across America works in a number of ways to show our veterans and their families that we will not forget—we will never forget.
