WUSQ-FM
Quarterly Issues/Programs List

WUSQ-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Awareness:** Agencies wished to highlight their activities, progress, and purpose in the community.
 - **Child Development:** Helping children build essential skills and competencies to be able to feel safe, cared for, valued, and useful in their family and community.
 - **Education:** Highlighting challenges that teachers face in our communities nationwide as we struggle to educate our children.
 - **Fundraising:** Agencies made us aware of fundraising efforts to help them expand their assistance to our community.
 - **Healthcare:** New statistics show that despite advances in treatment, new cases of HIV are exploding in growth in the valley.
 - **Parenting:** Locally, the Organization is taking a prominent role assisting single parents in shaping the future of their children in a positive way.
 - **Senior Care:** There is a great need for help with transporting our seniors to the hospital and doctor visits.
 - **Mental Health Care:** Demonstrating the various resources our community offers for a wide range of mental illnesses affecting our youth.
 - **Community Engagement:** Inviting the public to a forum spotlighting what services are available and how to obtain them for various mental health illnesses & event on local history.
-
