Winchester, VA  
Quarterly Issues/Programs List  
Second Quarter, 2022

WUSQ  
Quarterly Issues/Programs List

WUSQ provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were: Public Health, Children’s Health, Science & Technology, Race Relations, Autism Awareness, Mental Health, Military Appreciation, Osteoporosis Awareness, Grief Counseling, Public Safety, and Climate Change.

**Section I  
LOCAL PROGRAMMING**

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.

ISSUE	PROGRAM / TITLE	DESCRIPTION	GUEST	DATE/TIME	DURATION
Public Health, Children’s Health	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	Dr. Bhatt discussed his experiences working in Chicago Health clinics now that we seem to be entering a new phase of the pandemic. He talked about the reasons he is hearing from people who remain hesitant to get vaccinated. We’ve been expecting the FDA and CDC to consider authorization for the vaccine for children younger than five. Dr. Bhatt discussed the timetable for this and gave his recommendations for children getting the Covid vaccine. Mr. Sharkis defined dyslexia and gave us an Overview of the Children’s Dyslexia Centers and its mission. He outlined the types of programs their centers offer for both tutoring and training and told us how Covid has impacted operations. He talked about resources for people with Dyslexia.	Dr. Jay Bhatt, D.O., MPH, MPA AND David Sharkis, Director of Operations Children’s Dyslexia Centers, Inc.	04/03/2022 07:00 AM	029:49
Science & Technology, Public Health	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	Padi Boyd discusses a recent revelation made by the Hubble Space Telescope. She also explains the missions of the Hubble and James	Padi Boyd, Chief of the Exoplanets and Stellar Astrophysics Laboratory in the Astrophysics Science Division at NASA, and the	04/10/2022 06:59 AM	029:49

		<p>Webb Telescopes, including what their discoveries tell us about the origins of the Universe, the potential existence of extraterrestrial life, and why these revelations are important. Dr. Kass discusses the effectiveness of the COVID-19 vaccines. She explains the benefits of the immunity received via vaccination as compared to natural immunity, and she talks about why those who have been infected with COVID-19 should still be vaccinated. Finally, she explains the latest guidance on booster shots, including the newest recommendation for those over the age of 50.</p>	<p>Project Scientist for the Transiting Exoplanet Survey Satellite Mission AND Dr. Dara Kass, HHS Regional Director for Region 2</p>		
<p>Public Health, Race Relations</p>	<p>IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL</p>	<p>April marks National Minority Health Month. Dr. Parikh focused on how and why the pandemic has and continues to impact minority communities across the country. As an immunologist and allergist, she pointed out the similarities and differences in her practice since COVID-19 has come into play. Dr. Parikh gave advice on how we can continue to stay safe as we enter this next phase of the pandemic with potential new variants. It's the start of major league baseball's 2022 season</p>	<p>Dr. Purvi Parikh, MD, Allergist and Clinical Assistant Professor in both departments of Medicine and Pediatrics at New York University School of Medicine AND Kostya Kennedy, Author of Ture: The Four Seasons of Jackie Robinson</p>	<p>04/17/2022 07:01 AM</p>	<p>029:49</p>

		and this also marks the 50th anniversary of the passing of baseball legend Jackie Robinson. It also marks the 75th anniversary of one of the most significant moments of the 20th century - Jackie Robinson breaking the color barrier in major league baseball. Kennedy talked about Robinson's impact on MLB and society from four non-consecutive transformative years of Robinson's life: 1946, 1949, 1956, and 1972.			
Autism Awareness, Public Health	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	April is Autism Awareness Month. The Marino Campus is an accredited postsecondary school that prepares young adults with autism and other disabilities for gainful employment, social competence, and independent living by earning national industry certifications and gaining necessary skills vital to employment. Partin talked about resources that parents can use to help navigate through autism. Billings discussed the American Lung Association's 2022 "State of the Air" report that revealed how millions of Americans live in counties that have unhealthy levels of ozone or particle pollution. He focused on how air pollution harms health, who is most vulnerable to air pollution,	Dr. Mary Partin, CEO of the Dan Marino Foundation AND Paul Billings, American Lung Association National Senior Vice President of Advocacy	04/24/2022 07:01 AM	029:50

		and what steps the nation must take to make progress toward cleaner and healthier air.			
Public Health, Mental Health	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	Dr. Khan focused on community and the role local organizations play in expanding access to high quality and affordable health care. Dr. Khan discussed common barriers from different patient populations and how to overcome the fear of COVID-19 vaccinations. Chef Andre Rush is a retired decorated combat Veteran known worldwide as the White House chef for four Presidents including Bill Clinton, George W. Bush, Barack Obama, and Donald Trump. Rush advocates for military service and suicide prevention. Chef Rush talked about using food, medicine and therapy to help military vets overcome depression, anxiety, and PTSD with a method called "Cooking to Cope."	Dr. Basim Kahn, Executive Director, Neighborhood Health in Alexandria, VA AND Andre Rush, Former White House Chef and Decorated Combat Veteran	05/01/2022 06:00 AM	029:49
Public Health, Race Relations, Military Appreciation	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	May is Asian/Pacific American Heritage Month and Dr. Riklon shared how the COVID-19 pandemic has impacted AANHPI community as well as communities of color. He says it's essential to help families understand the need to stay protected from COVID-19, regardless of whether they've been vaccinated. Dr. Riklon	Dr. Sheldon Riklon, M.D., University of Arkansas for Medical Sciences AND Stephen Holley, Carry The Load Co-Founder, President and CEO AND Mark Elliott, Retired U.S. Army Colonel and Global Head of Military and Veterans Affairs at JPMorgan Chase	05/08/2022 06:00 AM	029:49

		<p>offered "tools" and suggestions to continue staying safe from COVID-19. Holley is a graduate of the United States Naval Academy and former SEAL Team 5 officer and Elliot oversees firm-wide, veteran-focused efforts in employment, entrepreneurship, education and workforce development, and community engagement. May is Military Appreciation month and both discussed their service to our country and Memorial Day's true meaning. They talked about the 10th Annual Month-Long National Memorial May Relay Covering 20,000 Miles and 48 States Honoring First Responders and Fallen Military.</p>			
<p>Public Health, Osteoporosis Awareness</p>	<p>IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL</p>	<p>Lovenheim discussed how the Public Affairs division works to ensure the public hears about top Departmental priorities and initiatives tied to the Health and Human Service mission of building a healthier America. She talked about her experience overseeing the COVID-19 Public Education Campaign for HHS and the most important priorities now in encouraging vaccinations. Lovenheim discussed reaching out to parents to ensure they are</p>	<p>Sarah Lovenheim, Assistant Secretary for Public Affairs AND Cheryl Hostinak, Executive Director of American Bone Health</p>	<p>05/15/2022 06:00 AM</p>	<p>029:49</p>

		supported in the decision to get their children vaccinated and why these types of efforts with moms in social media will be effective. It's National Osteoporosis Month and Hostinak explained what osteoporosis is and why it's important to have a national awareness month. She says tests and screening are available to diagnose osteoporosis and what we can do to help prevent osteoporosis. She offered up resources that people can access from American Bone Health.			
Military Appreciation, Mental Health	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	Admiral Bird joins the show to discuss the creation and significance of the USAA Poppy Honor Wall; how the poppy came to symbolize Memorial Day; and how people can join in remembrance if they can't make it to the wall in person. Clara Reynolds joins the show for Mental Health Awareness Month to discuss America's mental health crisis, along with the impact the pandemic has had on our mental health, and resources to help those in need.	John Bird, US Navy Admiral (Retired) and Senior VP of Military Affairs at USAA AND Clara Reynolds, President & CEO of the Crisis Center of Tampa Bay	05/22/2022 06:00 AM	029:50
Children's Health, Grief Counseling	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	The CDC just recommended that kids ages 5 to 11 get booster doses. Dr. Koppaka explained the rationale behind recommending boosters for kids and gave us the latest information	Dr. Ram Koppaka, MD, PhD Associate Director for Adult Immunization Services Division Centers for Disease Control and Prevention AND Bonnie Carroll,	05/29/2022 06:00 AM	029:50

		<p>on boosters for all ages. He discussed what the CDC is doing to address health equity during the pandemic and reduce health disparities - particularly when it comes to vaccine access and coverage. Koppaka covered when COVID vaccines might be available to kids under 5 and the success of the public education campaigns encouraging COVID vaccination and programs to increase trust and engagement within communities. TAPS provides compassionate care to all those grieving the death of a military loved one. Since 1994, TAPS has provided comfort and hope 24/7 through a national peer support network and connection to grief resources, all at no cost to surviving families and loved ones. Carroll discussed the variety of programs available to survivors nationally and worldwide. She talked about the National Military Survivor Seminar and Good Grief Camp that is held annually in Washington, D.C., over Memorial Day. TAPS also conducts regional survivor seminars for adults and youth programs at locations across the country, as well as retreats and expeditions around the world.</p>	<p>President &amp; Founder of the Tragedy Assistance Program for Survivors (TAPS)</p>

<p>Mental Health, Public Safety</p>	<p>IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL</p>	<p>Dillon develops technology solutions that improve the health and well-being of adolescents and young adults. Pride month kicks off June 1 and Dillon focused on Pride Month and LGBTQ+ teen mental health. He discussed the launching of a new, free digital tool called imi (eye-me) for LGBTQ+ teen mental health and well-being. Follman discussed the school shooting in Uvalde, TX, in which a gunman took the lives of 19 children and two teachers inside Robb Elementary School. His new book is the first-ever account that goes inside the world of behavioral threat assessment, a groundbreaking method for successfully preventing mass shootings. He offered insight into the Uvalde tragedy and offered hope and information on prevention for these kinds of shootings.</p>	<p>Fred Dillon, Head of Advisory Services at Hopelab AND Mark Follman, Author of Trigger Points: Inside the Mission to Stop mass Shootings in America</p>	<p>06/05/2022 06:00 AM</p>	<p>029:48</p>
<p>Public Safety, Climate Change</p>	<p>IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL</p>	<p>Dan breaks down the expectations for the 2022 hurricane season. He also explains how these storms develop, what to watch for as a storm is approaching, and how to read the hurricane models seen on TV and online. Steve offers an overview of the wildfires we've experienced so far in 2022 and breaks down the</p>	<p>Dan Kotlowski, AccuWeather's Lead Hurricane Expert AND Steve Gregory, iHeartMedia National Correspondent &amp; Certified Wildfire Expert</p>	<p>06/12/2022 06:00 AM</p>	<p>029:50</p>

		different issues responsible for the larger and more frequent wildfires we've seen in recent years.			
Children's Health, Race Relations	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	Dr. Alexander discusses the rise in COVID-19 cases in certain parts of the country, different COVID-related issues impacting children who contract the virus, the latest COVID vaccination guidance for children, and ways to keep the family and kids safe during summer vacations and activities. Kelly Navies discusses the history of the Juneteenth holiday, from the period of time between the conclusion of the Civil War and the freeing of slaves in Texas to the events following that moment in history that led to the recent push for Juneteenth to become a federal holiday.	Kenneth Alexander, Chief of Infectious Diseases at Nemours Children's Health in Florida AND Kelly Navies, Museum Specialist of Oral History at the Smithsonian National Museum of African American History and Culture	06/19/2022 06:00 AM	029:49
Children's Health, Public Safety	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	COVID vaccines were just authorized for children under 5. Dr. O'Leary talked about how 13 million children under age 18 in the US have gotten COVID and why the impact on children has increased. He discussed the important milestone of vaccinations at this stage of the pandemic and what parents need to know about vaccinating their youngest children. With much of America looking to make their next getaway this	Dr. Sean O'Leary, Pediatric Infectious Diseases Specialist and Associate Professor of Pediatrics at the University of Colorado AND Julie Garner, Founder of Project Yellow Light	06/26/2022 06:00 AM	029:49

		summer, millions of people are setting their sights on the open road and ready for vacation. Garner talked about Project Yellow Light and raising awareness, so we know the dangers of distracted driving.
