WUSQ-FM
Quarterly Issues/Programs List

WUSQ-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Domestic Violence:** With October being Domestic Violence Awareness month, it's important to provide the community with outlets and ways to receive help for themselves and others.
- **Hunger:** With the holidays approaching, there is a greater need than ever for food donations.
- **Volunteering:** Many organizations in the community are struggling financially and the need for volunteers is crucial.
- **Alcoholism:** The holidays are a tough time for recovering alcoholics and statistics show there are more drunk drivers on the road during the holiday season.
- **Community Involvement:** Many organizations in the community hold drives for the needy at this time of year and need help from the community.
- **Health:** Many folks in the community are struggling to find affordable health care.
- **Housing:** Many folks in the community are struggling to find affordable housing.
