Thanks for using our new "Rapid Rate" system. This allows us to be the first group of stations to get the agencies what they need.

Below you'll find the specs for the avail. Just below that you'll see boxes where you can fill in the rates that you'd like to submit based on the day parts they asked for.

Lastly you'll see an area where you can submit your added value offerings, and any notes you'd like to send to your Local Focus Rep or the agency. Let us know if you have any questions, and please return this information as soon as possible, thanks!
