

**CBS RADIO GROUP**  
**ISSUES AND PROGRAMS REPORT**  
**FOR KEGY SAN DIEGO**  
**FOURTH QUARTER, 2016**  
**OCTOBER 1 THROUGH DECEMBER 31, 2016**

**Prepared by:**

**Marlo Rhodes**  
**Public Affairs Director**

**Issues of Concern to San Diego  
Addressed In Responsive Programming In The  
FOURTH QUARTER, 2016**

**1. Economic/Financial**

**This is the number #1 issue both here in San Diego and across the country. Increasing mortgage rates, foreclosures decreasing home values, and increases in the cost of living expenses are causing a strain on the local economy. A major concern to homeowners is dealing with the current reality that mortgages are higher than their homes worth.**

**2. Jobs & Growth**

**Our local economy has slowed tremendously over the past 2 years causing few opportunities for job seekers. Local businesses and companies continue shed jobs to deal with the current economic crisis, and San Diegans in the job market are forced to seek out few opportunities.**

**3. Transportation**

**Morning and afternoon gridlock are major concerns in the San Diego area.**

**4. Business/Tourism**

**Tourism is a major source of revenue to the San Diego area. Even in tough financial times the local economy continues to thrive from this source of income.**

**5. Education**

**The best way to keep the community growing and prospering is to educate and inform its citizens. We gain helpful insight from many community leaders on a range of issues.**

## **6. Health/Environmental**

**One in five San Diego residents are uninsured or underinsured, promoting the need for a healthy lifestyle information and the need for clean air, water and environment.**

## **7. Crime Prevention**

**Crime rates here in San Diego County continue to flourish as the local economy seems to decline. Desperation appears to be a main motivator of theft and recurrent criminal activities and it has become critical to educate citizens to help reduce and prevent crime whenever possible.**

# **KEYG PROGRAMMING THAT ADDRESSES COMMUNITY ISSUES**

## **“Concerning San Diego”**

**Every Sunday morning 6 am to 7 am. This program addresses public issues and concerns through interviews with local community leaders. We gain helpful insight into problem situations and discuss possible solutions.**

## **Public Service Announcements:**

**Aired during the weekly public affairs program; non-profit groups and organizations have an opportunity to publicize their need to the San Diego community. Local fund raising events are also displayed on our website at the [ENERGY1037.COM](http://ENERGY1037.COM) community page.**

## **Local News:**

**An item called “Community News & Events” has been added as weekly informative feature to the public affairs programming. This portion of the program recap’s the biggest local and national news stories of the week.**

## **Special News Reports:**

**The KEYG radio staff is on 24 hours a day. If and when anything happens of major concern to the San Diego area; the air-staff reports the information promptly.**

## **Ascertainments**

**Ascertainments to determine the top issues and problems facing the San Diego community are done on a constant ongoing basis by: e-mail, U.S. mail, and phone conversations. In addition, each guest making an appearance on “Concerning San Diego” is asked for their response. Findings from these interviews, e-mails, letters and phone conversations are collated to determine the top six issues to be addressed on a frequent basis through our public affairs program and in regularly scheduled newscasts.**

**Station management personnel are also in frequent contact with community leaders and are informed about significant problem areas.**

**Marlo Rhodes  
Public Affairs Director**

**FOURTH QUARTER, 2016  
OCTOBER 1 THROUGH DECEMBER 31, 2016**

**MOST SIGNIFICANT ISSUE-RESPONSIVE PROGRAMMING**

**ISSUE: ECONOMIC/FINANCIAL**

**Our nation's financial crisis has had a disastrous ripple effect upon urban communities like San Diego. The increasing cost of goods and supplies has slowed construction and economic growth causing unemployment to rise. Home values continue to decrease and home foreclosures have caused the housing market to come to a standstill. According to media reports, Mayor Jerry Sanders and the City of San Diego are planning massive budget cuts to steer through these tough economic times.**

**Program: “Concerning San Diego” OCTOBER 2, 2016**

**Guest: Robert J. Farrell, Job Coach and President, RJF Coaching.com**

**Our entire 60 minute program is devoted to Mr. Farrell who explains to us simple tips for searching for jobs, writing resumes, and how to perform in a job interview. This topic is extremely timely as San Diego and the State of California unemployment rates have risen sharply in recent months.**

**Program: Concerning San Diego” OCTOBER 9, 2016**

**Guest: Gabe Del Rio, VP of Lending and Homeownership, Community Housing Works**

**30 percent of San Diego mortgages are worth more than their home is worth. Many San Diego County residents have fallen into foreclosure. During this program, Mr. Del Rio explains how best to prevent homes from falling into foreclosure and what homeowners can do to stay in their homes once they have fallen behind on their mortgage payments. We spend 30 minutes of our 60 minute program with Mr. Del Rio.**

**Program: “Concerning San Diego” OCTOBER 16, 2016**

**Guest: Lauri Walker, Media Specialist, California Center for Sustainable Energy.**

**Another 20 minutes is devoted speaking with Ms. Walker on the concept of Solar Energy. In California with its plentiful sunlight; Solar Energy is an expanding industry. We talk to Ms. Walker about the benefits of Solar Energy and the incentives and rebates in place to help owners make the switch to a more cost efficient and renewable source of energy, and the rapidly expanding job market in the green sector.**

**Program: “Concerning San Diego” NOVEMBER 20, 2016**

**Guest: Rob Schupp, Metropolitan Transit System**

**22 minutes is spent discussing the new Rapid transit bus system making commuting and traveling around San Diego County more accessible. San Diego’s roads and highways are congested on an almost daily basis due to lack of public transit.**

**FOURTH QUARTER, 2016  
OCTOBER 1 THROUGH DECEMBER 31, 2016**

**MOST SIGNIFICANT ISSUE-RESPONSIVE PROGRAMMING**

**ISSUE: JOBS AND GROWTH**

As the local economy comes to a significant slow-down, employment opportunities and job fairs become important news worthy stories delivered in public service announcements and are featured in our public affairs programming. As San Diego continues to grow and thrive under the category of tourism and in the service industry; job fairs are considered vital information.

**Program: “Concerning San Diego” OCTOBER 2, 2016**

**Guest: Robert J. Farrell, Job Coach and President, RJF Coaching.com**

Our entire 60 minute program is devoted to Mr. Farrell who explains to us simple tips for searching for jobs, writing resumes, and how to perform in a job interview. This topic is extremely timely as San Diego and the State of California unemployment rates have risen sharply in recent months.

**Program: Concerning San Diego” OCTOBER 9, 2016**

**Guest: Gabe Del Rio, VP of Lending and Homeownership, Community Housing Works**

30 percent of San Diego mortgages are worth more than their home is worth. Many San Diego County residents have fallen into foreclosure. During this program, Mr. Del Rio explains how best to prevent homes from falling into foreclosure and what homeowners can do to stay in their homes once they have fallen behind on their mortgage payments. We spend 22 minutes of our 60 minute program with Mr. Del Rio.

**Program: “Concerning San Diego” NOVEMBER 13, 2016**

**Guest: Lauri Walker, Media Specialist, California Center for Sustainable Energy.**

Another 20 minutes is devoted speaking with Ms. Walker on the concept of Solar Energy. In California with its plentiful sunlight; Solar Energy is an expanding industry. We talk to Ms. Walker about the benefits of Solar Energy and the incentives and rebates in place to help owners make the switch to a more cost efficient and renewable source of energy, and the rapidly expanding job market in the green sector.

**Program: “Concerning San Diego” NOVEMBER 20, 2016**

**Guest: Sister Tricia, Father Joe’s Village**

As Southern California’s largest residential homeless services provider Father Joe’s Villages and its partner agencies prepare up to 4,000 meals and provide a continuum of care to nearly 1,500 individuals every day—from infants and adolescents to adults and seniors. This includes over 200 children and over 200 military veterans. The organizations’ primary goal is to transform lives and end the cycle of homelessness. To this end they provide housing, healthcare, food, clothing, education, job training and child development in an internationally modeled “one-stop-shop” approach. The organizations’ mission is made possible only through the efforts of compassionate staff, dedicated volunteers, and generous public and private donors. 20 minutes is devoted to Sister Tricia.

**FOURTH QUARTER, 2016  
OCTOBER 1 THROUGH DECEMBER 31, 2016**

**MOST SIGNIFICANT ISSUE-RESPONSIVE PROGRAMMING**

**ISSUE:       TRANSPORTATION**

**Program: “Concerning San Diego” OCTOBER 9, 2016**

**Guest: Chris Cochran, Assistant Director of Marketing and Public Affairs, California Office of Traffic Safety.**

**San Diego is the third highest city in the state of California for arrests for DWI’S.**

**Recently a young teenage driver was arrested in the Torrey Pines area for driving while intoxicated and charged with vehicle manslaughter for death of his classmate who was a passenger in the car. We’re also reminded from Mr. Cochran that state laws forbid talking or texting on cell phones while driving can severely inhibit a driver’s attention to the road. 40 minutes is devoted to this subject.**

**Program: “Concerning San Diego” NOVEMBER 20, 2016**

**Guest: Rob Schupp, Metropolitan Transit System**

**22 minutes is spent discussing the new Rapid transit bus system making commuting and traveling around San Diego County more accessible. San Diego’s roads and highways are congested on an almost daily basis due to lack of public transit.**

**FOURTH QUARTER, 2016  
OCTOBER 1 THROUGH DECEMBER 31, 2016**

**MOST SIGNIFICANT ISSUE-RESPONSIVE PROGRAMMING**

**ISSUE: BUSINESS AND TOURISM**

An item called “Community News & Events” has been added as weekly informative feature to public affairs programming. This portion of the program highlights several non profit businesses and events taking place around the county encouraging listeners to participate and become involved in the community.

Additionally ENERGY1037.COM website has a feature called “Weekend Fun Stuff” which encourages local citizens to get out and enjoy San Diego’s many local attractions and events.

**Program: “Concerning San Diego” OCTOBER 2, 2016**

**Guest: Ken Kramer, KPBS TV Host, “About San Diego”**

22 minutes of our 60 minute program is spent talking to Mr. Kramer about the history of San Diego how it was born, fascinating places of interest and little known historical facts about San Diego.

**Program: “Concerning San Diego” OCTOBER 2, 2016**

**Guest: Diane Katz, Ph.D. Author, Win at Work, the Everybody Wins Approach to Conflict Resolution**

21 minutes of the program is spent talking with Dr. Katz about the best ways to handle conflict in the workplace. During our conversation we learn from Dr. Katz that most people who are unhappy with their job situations could be resolved with simple conflict resolution techniques rather than looking for a new job.

**Program: “Concerning San Diego” NOVEMBER 13, 2016**

**Guest: Lauri Walker, Media Specialist, California Center for Sustainable Energy.**

Another 20 minutes is devoted speaking with Ms. Walker on the concept of Solar Energy. In California with its plentiful sunlight; Solar Energy is an expanding industry. We talk to Ms. Walker about the benefits of Solar Energy and the incentives and rebates in place to help owners make the switch to a more cost efficient and renewable source of energy, and the rapidly expanding job market in the green sector. Additionally San Diego is the “Greenest City” in the state of California, causing major businesses and corporations to travel to San Diego to learn tips on making the companies more sustainable.

**FOURTH QUARTER, 2016  
OCTOBER 1 THROUGH DECEMBER 31, 2016**

**MOST SIGNIFICANT ISSUE-RESPONSIVE PROGRAMMING**

**ISSUE:        EDUCATION**

**Education related stories are a regular part of the stations daily newscasts with related items being broadcast almost daily.**

**Program: “Concerning San Diego” OCTOBER 2, 2016**

**Guest: Ken Kramer, KPBS TV Host, “About San Diego”**

**22 minutes of our 60 minute program is spent talking to Mr. Kramer about the history of San Diego how it was born and little known interesting facts involving our fine city.**

**Program: “Concerning San Diego” OCTOBER 2, 2016**

**Guest: Robert J. Farrell, Job Coach and President, RJF Coaching.com**

**Our entire 60 minute program is devoted to Mr. Farrell who explains to us simple tips for searching for jobs, writing resumes, and how to perform in a job interview. This topic is extremely timely as San Diego and the State of California unemployment rates have risen sharply in recent months.**

**Program: Concerning San Diego” OCTOBER 9, 2016**

**Guest: Guest: Chris Cochran, Assistant Director of Marketing and Public Affairs, California Office of Traffic Safety.**

**San Diego is the third highest city in the state of California for arrests for DWI’S.**

**Recently a young teenage driver was arrested in the Torrey Pines area for driving while intoxicated and charged with vehicle manslaughter for death of his classmate who was a passenger in the car. We’re also reminded from Mr. Cochran that state laws forbid talking or texting on cell phones while driving can severely inhibit a driver’s attention to the road. 40 minutes is devoted to this subject.**

**Program: “Concerning San Diego” OCTOBER 9, 2016**

**Guest: David Code, Author and Marriage and Family Counselor.**

**Stressed-out parents can be hazardous to their children’s health, but David Code’s book, “Kids Pick Up on Everything” offers a surprising solution: to raise healthy kids, a friend, and a Spanish plaza to go socialize in every evening! Being stressed out is The New Normal for parents, and the surprising cause of our increased stress is social isolation—NOT our jobs, or technology. Code argues that humans are social animals, with a primal need to bond and to belong. Socializing reduces stress, so the best gift you can give your children is to build community. 20 minutes is spent talking with Mr. Code.**

**Program: “Concerning San Diego” OCTOBER 16, 2016**

**Guest: Cathy Dunn, Regional Manager, Partnership for a Drug-Free America.**

**Drugs and alcohol in combination with peer pressure continues to be a lethal problem for our youth. Here Ms. Dunn explains how parents can learn to prevent their children from using drugs and alcohol, how prevent children from sub coming to peer pressure and how to overcome communication barriers that exist between parents and their children. 40 minutes of our 60 minute program of our program is dedicated to this topic.**

**Program: “Concerning San Diego” OCTOBER 23, 2016**

**Guest: Heidi Diller, Registered Dietician**

**21 minutes of the show is devoted to talking about the New American Plate guidelines and the benefits of eating nutritional meals. Included in our discussion were cost effective ways to eat healthy. Obesity has become an epidemic here in the U.S. The CDC (Centers for Disease Control) states more than 190 million Americans are overweight or obese. Obesity-related diseases are a \$147 billion dollar medical burden every year. Childhood obesity has tripled in the last thirty years.**

**Program: “Concerning San Diego” OCTOBER 23, 2016**

**Guest: Dr. Heather Snyder, Executive Director, Alzheimer’s Association**

**25 minutes is spent talking with Dr. Snyder about Alzheimer’s disease which is the 6<sup>th</sup> leading cause of deaths here in the U.S and affects 5 million patients, causing health care costs to triple over recent years. She informs us that there is a lack of resources to treat the disease because there is a lack of awareness.**

**Program: “Concerning San Diego” OCTOBER 21, 2016**

**Guest: Paul Cothran, Executive Director, VH1 Save The Music Foundation**

**Statewide budget cuts are affecting the visual and performance arts programs in public schools. We spend 25 minutes speaking with Mr. Cochran about the importance of music education program in our local schools and we learn that music education can assist students with problem solving and increase brain power.**

**Program: “Concerning San Diego” NOVEMBER 6, 2016**

**Guest: Ann Fox, Manager, San Diego County Foster Home Licensing**

**As the county grows, so does the need for good foster homes. Currently there are 6,000 children in out of foster home care due to abuse and neglect in San Diego County. Foster Home Licensing recruits, trains, licenses, monitors, and supports foster families around the county. 30 minutes was spent talking to Ms. Fox.**

**Program: Concerning San Diego” NOVEMBER 6, 2016**

**Guest: Sharon Lawrence, President and CEO, Voices for Children 40 minutes of our program are dedicated to this local organization that combines adult volunteers with children caught in the Foster Care program. Children in this program are in need of adult spokespersons to work in a legal capacity on their behalf while they are dependents of the state. Ms. Lawrence explains the simple and necessary needs of these children and how to become a volunteer and join the program.**

**Program: “Concerning San Diego” NOVEMBER 13, 2016**

**Guest: Lauri Walker, Media Specialist, California Center for Sustainable Energy.**

**Another 20 minutes is devoted speaking with Ms. Walker on the concept of Solar Energy. In California with its plentiful sunlight; Solar Energy is an expanding industry. We talk to Ms. Walker about the benefits of Solar Energy and the incentives and rebates in place to help owners make the switch to a more cost efficient and renewable source of energy, and the rapidly expanding job market in the green sector.**

**Program: “Concerning San Diego” NOVEMBER 13, 2016**

**Guest: Frank Robinson, Volunteer, American Heart Association**

**Diseases of the heart are the country’s No. 1 cause of death; stroke is No. 4.**

**Almost 6,000 San Diegans die of heart disease or stroke annually, accounting for almost one of every three deaths in San Diego County. One in three adults in the United States has some form of Cardiovascular Disease. Together these cardiovascular diseases kill more than 803,000 Americans each year and cost the nation almost \$286 billion in indirect and direct costs. More than 2,200 Americans die of CVD each day, an average of 1 death every 39 seconds. 30 minutes is spent talking about this year’s American Heart Walk which raises funds for research, advocacy and educational programs here in San Diego.**

**Program: “Concerning San Diego” NOVEMBER 20, 2016**

**Guest: Sister Tricia, Father Joe’s Village**

**As Southern California’s largest residential homeless services provider Father Joe’s Villages and its partner agencies prepare up to 4,000 meals and provide a continuum of care to nearly 1,500 individuals every day—from infants and adolescents to adults and seniors. This includes over 200 children and over 200 military veterans. The organizations’ primary goal is to transform lives and end the cycle of homelessness. To this end they provide housing, healthcare, food, clothing, education, job training and child development in an internationally modeled “one-stop-shop” approach. The organizations’ mission is made possible only through the efforts of compassionate staff, dedicated volunteers, and generous public and private donors. 30 minutes is devoted to Sister Tricia.**

**Program: “Concerning San Diego” NOVEMBER 20, 2016**

**Guest: Rob Schupp, Metropolitan Transit System**

**22 minutes is spent discussing the new Rapid transit bus system making commuting and traveling around San Diego County more accessible. San Diego’s roads and highways are congested on an almost daily basis due to lack of public transit.**

**Program: “Concerning San Diego” NOVEMBER 27, 2013**

**Guest: Stephen Rea, Emergency Services Coordinator, San Diego Office of Emergency Services**

**The Office of Emergency Services (OES) coordinates the overall county response to disasters. OES is responsible for alerting and notifying appropriate agencies when disaster strikes; coordinating all agencies that respond; ensuring resources are available and mobilized in times of disaster; developing plans and procedures for response to and recovery from disasters; and developing and providing preparedness materials for the public. 30 minutes of our program is spent discussing emergency/disaster preparedness.**

**Program: “Concerning San Diego” DECEMBER 4, 2016**

**Guest: Katie O Whalen-Elsbree, Founder, Fostering Opportunities Scholarship Fund**  
Fostering Opportunities Scholarship Fund raises funds to send foster children to college. After the age of 18 foster children no longer qualified to receive government benefits and must branch out on their own in order to survive. 30 minutes is spent talking to Ms. Elsbee about the need of Fostering Opportunities Scholarship Fund to the San Diego community. 35 minutes is spent discussing this subject.

**Program “Concerning San Diego” DECEMBER 4, 2016**

**Guest: Christina Sandefur, Executive VP, Goldwater Institute**  
California became the 32<sup>nd</sup> state to adopt the “Right to Try” law that allows terminally ill patients to the right to try treatments that are being safely used in clinical trials. The new Right to Try law gives no hope to terminally ill patients who previously had none. Many terminally ill patients die before they can be selected to participate in a clinical trial or become part of the compassionate use program run by drug manufacturers. 20 minutes is spent discussing the new Right to Try law.

**Program: “Concerning San Diego” DECEMBER 11, 2016**

**Guest: Paul Jablonski, President, Metropolitan Transit Administration, Jim Floros, San Diego Food Bank, Lillia Rodriguez, Albertsons, The San Diego Girl Scouts**  
20 minutes of our show is dedicated to talking with Mr. Jablonski, Mr. Carter and Ms. Rodriguez on this year’s “Stuff the Bus” campaign, The campaign benefits the San Diego Food Bank which supplies needy families with food for the holiday season.

**Program: Concerning San Diego” DECEMBER 11, 2016**

**Guest: Jamie LaBuzetta, Neurointensive Specialist, UCSD Hospital and Author of “Bad Moves”.**  
Dr. LaBuzetta discusses the myth and dangers surrounded by the idea of “Smart Drugs”. These Pharmaceutical drugs were developed for people with ADHD and narcolepsy but young normal adults are taking these drugs to get the upper hand on their peers. 22 minutes was spent discussing this fascinating topic.

**Program: “Concerning San Diego” DECEMBER 25, 2016**

**Guest: Herb Johnson, President and CEO, San Diego Rescue Mission**  
The San Diego Rescue Mission believes in the inherent worth of every homeless man, woman, and child, serving the needs of the poor, addicted, abused, and homeless, thus improving the quality of their lives. Their programs provide rehabilitation leading to positive, lasting change and creating better lives for families, and the San Diego community as a whole. 25 minutes is spent talking with Herb Johnson.

**Program: “Concerning San Diego” DECEMBER 25, 2016**

**Guest: Kathy Karpe, Director of Development, Casa De Amparo**  
Established in 1978, Casa de Amparo is recognized as a major force in the treatment and prevention of child abuse and neglect in San Diego County. Casa de Amparo is a vivid example of the difference a few can make in addressing a large and challenging need. Casa De Amparo is committed to helping Families and Children affected by or at risk of child abuse as well as Foster Children in need of support to become self-sufficient. 25 minutes is spent talking with Kathy Karpe.

**FOURTH QUARTER, 2016  
OCTOBER 1 THROUGH DECEMBER 31, 2016**

**MOST SIGNIFICANT ISSUE-RESPONSIVE PROGRAMMING**

**ISSUE:       HEALTH/ENVIRONMENTAL**

**ENERGY1037.COM** devotes part of its website to environmental issues which promotes ideas on how to live “green”.

**Program: “Concerning San Diego” OCTOBER 23, 2016**

**Guest: Katie Croskey, Executive Director, Alzheimer’s Association San Diego**

**25 minutes is spent talking with Ms Croskey about Alzheimer’s disease which is the 6<sup>th</sup> leading cause of deaths here in the U.S and affects 5 million patients, causing health care costs to triple over recent years. She informs us that there is a lack of resources to treat the disease because there is a lack of awareness.**

**Program: “Concerning San Diego” NOVEMBER 13, 2016**

## **ADDENDUM**

**In addition to the public affairs programming contained in this report, KEGY was involved in the following community events:**

### **4<sup>TH</sup> QUARTER SIGNIFICANT COMMUNITY ISSUES**

**AJ'S Kids crane benefitting Rady Children's Hospital, San Diego, CA**

**KEGY Live Broadcast:**

**November 13, 2016 - November 19, 2016**

**Morning Show Host AJ Machado volunteered to spend 7 consecutive days living in a crane to raise funds and toys for the children at Rady Children's Hospital.**

**Rady Children's Hospital is the largest source of comprehensive pediatric medical services in San Diego. Rady Children's is the only hospital in the San Diego area dedicated exclusively to pediatric healthcare and is the region's only designated pediatric trauma center. U.S. News & World Report ranked Rady Children's among the nation's best in five pediatric specialties. KEGY'S 24 hour live broadcast over 7 days for AJ's Kids Crane was a success, raising 100,000 toys for Rady Children's Hospital and KEGY remains firm in its commitment to help serve and strengthen the San Diego community.**
