Network Information for Responding to FCC Form 2100, Schedule H

“CBS DREAM TEAM” (Jan. 7-Sept. 30, 2023) / “CBS WKND” (Effective Oct. 7, 2023 UFN) Calendar Year January through December 2023

Each of these children's programs listed below was designed with the significant purpose of serving the educational and informational needs of children.

As is the current practice, there is, and in the upcoming year will be, no End Station Break for local sale at the conclusion of each program. However, five seconds for Local Station Identification will continue to be provided at the conclusion of each program.

Since the Target Audience of the “CBS DREAM TEAM” / “CBS WKND” is 13-16 year-old viewers, the commercial limits established by Congress in the children’s television act of 1990 of no more than ten-and-a-half minutes of commercial time per weekend clock hour is NOT applicable. Each of these programs will be formatted with 7:30 of commercials. Please keep this in mind should your lineup include other children’s programming as part of this schedule.

In order to comply with the FCC's on-air identification requirement for educational children's programs, a 10-second graphic appears on the full screen (E/I Educational + Informational) at the beginning of each of the six children's programs with a voiceover “when you see this symbol (E/I) you know you’re watching a show that is educational and informational, CBS WKND weekend mornings on CBS.” It is then immediately followed by a static logo which appears in the lower left corner for the duration of the programs. The logo will feature the letters “E/I”.

The CBS Television Network provides information identifying the six children’s core programs it supplies to stations affiliated with the Network to the following publishers of program guides nationwide via AP Express to major listing services: TV Guide, TV Data Technologies, Tribune Media Services, and Kidsnet Media Guide and News.
