**Re: Station WYCI(DT), Channel 40, Saranac Lake, NY

Mandatory Carriage Election**

Dear Sir or Madam:

I am writing on behalf of Cross Hill Communications LLC (“Cross Hill”), licensee of Station WYCI(DT), Channel 40, Saranac Lake, NY (the “Station”), which is in the Burlington, VT/Plattsburgh, NY DMA. Pursuant to Section 614 of the Communications Act of 1934, as amended, and Section 76.64 of the rules of the Federal Communications Commission, this will inform you that Cross Hill hereby elects mandatory carriage of the Station’s television signal on the cable system operated by Burlington Telecom in the Burlington-Plattsburgh DMA, for the election period commencing January 1, 2018 and ending December 31, 2020.

Cross Hill elects carriage on Channel Position 40, the Station’s over-the-air RF channel (and virtual channel) number, though we are willing to discuss a different mutually agreeable channel position”. If the Station does not provide a good quality over-the-air signal to your system’s principal headend, then Cross Hill hereby commits to providing that signal to you by other means.

Cross Hill looks forward to providing high quality “Heroes & Icons” network programming, along with local sports programming, to your subscribers. Please contact me at (603) 504-6692 or danwvbk@comcast.net if you should have any questions concerning this matter.

Sincerely,

Dan Carbonara, Station Mgr
