KNBC and KVEA Internship Program

Internships are the perfect way to gain real world experience while learning what a career at KNBC and KVEA in Los Angeles might hold in store for them. Interns have produced tangible results as they begin building their professional networks, and for many, the internship experience confirms their professional goals. We offer opportunities throughout the News, Creative Services, Local Integrated Media, Human Resources and Sales departments. We provide college students with the opportunity to showcase their many talents and allow KNBC and KVEA to identify high potential talent for future staff hiring as well as YOH associate employees and the NBC Page program. KNBC and KVEA look for students who are committed to a career in media/broadcasting through experiences in their major studies, college clubs/organizations, prior media based internships or prior media work experience.

Grade point average, community service, and leadership experience are also an important part of the total assessment of student applicants. KNBC and KVEA work closely with local and out of state colleges and universities to build an active internship training program.
