2. For each vacancy listed, attach to this report the relevant and completed Recruitment Source Data Forms.

Please see forms at end of document

- In total, how many interviewees did the station (or station group) interview for all the full-time job vacancies identified in response to Question 1?

In total, the station conducted 356 interviews for all the full-time job vacancies identified in Question 1.

- In total, how many persons interviewed by the station for any of the above-listed job vacancies were referred to the station from each of the recruitment sources used by the station? Please provide this information in matrix form.

Name of Recruitment Source	Total Number of Interviewees Referred During Year
NBCUni Careers	356

- Please summarize the employment unit’s broad outreach initiatives during the past year. Please identify each initiative in which the station substantially participated; the date(s) of each initiative; the names and titles of the station personnel who participated in each initiative; and a short summary of the nature and extent of the station’s participation in each initiative.

Internet Recruiting:

All positions are posted on SmartRecruiters which feeds nbcunicareers.com (the “Career Site”), a link to which is provided on the Stations’ websites. All positions posted on the Career Site are republished by numerous third-party online general audience job boards, including commonly used sites like LinkedIn, AboutJobs, Indeed, and ZipRecruiter. Additionally, NBCUniversal partners with Direct Employers, which disseminates Career Site postings to additional online job boards targeted to reach diversity-focused, military veteran, disabled, and federal government job seekers.

Employee EEO Training:

All Station employees and management are required to attend an annual mandatory training (by each September) on methods to ensure equal employment opportunities and to prevent employee harassment and discrimination. “**Respect in the Workplace**” is a training course that outlines the company’s policies regarding the prevention of harassment and discrimination in the workplace. 100% of our supervisors and 96% of our Managers completed this training.

Skills Enhancement Training:

NBCUniversal provides its employees with training that is designed to enable station personnel to acquire skills that could qualify them for higher level positions. The Talent Lab is NBCUniversal’s suite of nomination-based learning and developmental experiences that are uniquely designed to develop and engage NBCUniversal employees. It consists of five “tracks” with several underlying programs and experiences designed to develop leadership capabilities, enhance business acumen, and help shape and define culture within NBCUniversal.

Employees of the stations are provided with training and development opportunities designed to enhance their ability to assume positions of greater responsibility. Various programs are provided via external vendors and internal NBCUniversal-sponsored programs. Station employees participated in the following development/leadership skills courses: START, JUMP, LEAD, INFLUENCE, INVEST, STREAM, CASE, PIVOT, DRIVE, CREATE, CONNECT, AMPLIFY, ELEVAR and SHINE NBC

NBCUniversal’s diverse employee population is reflected in our affinity groups. These voluntary organizations focus on the professional development of their members by creating opportunities for coaching, mentoring and networking with employees and senior management. In addition, they are a major force in driving recruitment and retention of top talent in the organization. Participation in these groups is open to all employees. Established affinity groups at NBCUniversal, including APA@NBCUniversal, BPA@NBCUniversal, Out@NBCUniversal, The NBCUniversal PWD (Peoplewith Disabilities), Unidos@NBCUniversal, Veterans Network, The Women's Network @NBCUniversal (WNN) and others, provide professional networking and skill development courses to employees.

Local Event Participation/Outreach

Employees of the Stations participate in extensive community affairs activities throughout the community, with many of these events focused on diversity in the community. This participation also creates opportunities for Station personnel to educate the community about broadcasting and employment opportunities in the broadcast field.
