Our goal is to help anyone who might have a life controlling problem or an addiction to drugs or alcohol. We are dedicated to rebuilding lives that have been devastated and to restore families that have been torn apart by these addictions. Northern Appalachian Teen Challenge offers recovery support and spiritual formation. The program inspires self-discipline, responsible decision-making, social and spiritual accountability. We believe there is hope even when everything else says "just give up". Teen Challenge offers a safe place to find complete freedom. Northern Appalachian Teen Challenge, Inc. provides effective Christian discipleship training for persons experiencing life-controlling problems. This is accomplished through spiritual and academic instruction, behavior management, work skills and ethics training, life management training, and emotional support, all delivered within a disciplined and regimented atmosphere. Comprehensive, residential training aids the person in becoming mentally sound, emotionally balanced, socially adjusted, and spiritually alive. By applying Biblical principles to relationships in the family, local church, chosen vocation, and the community, the person can then function as a productive member of society. |
