Job Requisition R011626 Account Executive (Filled)
Job Family Local Sales
Start Date 05/05/2022
End Date 07/12/2022
Primary Posting No
Description

ABOUT THE ROLE & TEAM:

The Local Sales team in TelevisaUnivision Orlando is looking for an Account Executive to join our team! This position will be responsible for project management across Univision divisions: marketing, research, strategy & insights, digital and production. Generate client sponsorship/campaign recaps. You have exceptional creative skills to develop TV and Radio sales presentation decks. You will be prospecting, identifying, and assisting the sales teams in pursuit of new business leads as well as managing their own accounts.

YOUR DAY-DAY:

- Prospect and generate new leads, as well as qualify leads generated by support functions
- Sell entire Multimedia product line (spot radio & TV, promotions, digital and special events)
- Attend promotional events and other client networking events
- Work in partnership with support team on pre-sale processes (e.g., preparing drafts of presentations, proposals)
- Work in partnership with support team on post-sale processes (e.g., entering orders, collections)
- Collaborate with all departments on potential client opportunities

YOU HAVE:

- Bachelor's Degree or equivalent experience
- 3 years minimum experience in tangible or intangible sales preferred from advertising/media
- Experience in generating new business preferred
- Bilingual in English/Spanish verbal and written skills
- Marketing background a plus
- Excellent command of verbal and written communication
- Ability to conduct effective account planning and coordinate different resources to meet customer needs
- Strong analytical, organizational skills, and negotiations skills
- Ability to prioritize and multitask under deadline pressures
- Work well both independently and in a team environment
- High Proficiency in PowerPoint and Excel

OUR BENEFITS:

TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. We offer a wide selection of perks and benefits including PTO; tuition reimbursement; wellness and employee support programs; 401K; and life and other insurance plans. This is all in addition to our comprehensive and competitive health benefits package featuring medical, dental and vision coverage options.

Univision requires that all U.S. and Puerto Rico employees be vaccinated against COVID-19. This position will require the successful candidate to submit proof of vaccination. The Company is an equal opportunity employer, and will reasonably accommodate a qualified candidate, who may be unable to be vaccinated, consistent with federal, state, and local law.

Univision is an equal opportunity/affirmative action employer. All qualified applicants will receive

For authorized use only.

Account Executive

Job Requisition R010205 Account Executive (Filled)
Job Family Local Sales
Start Date 11/30/2021
End Date 08/03/2022
Primary Posting Description No

Univision Local Media is looking for a dynamic, motivated and driven Account Executives to be added in our team with exceptional creative skills to develop TV and Radio sales presentation decks. Responsible for project management across Univision divisions: marketing, research, strategy & insights, digital and production. Generate client sponsorship/campaign recaps. These individuals will be prospecting, identifying, and assisting the sales teams in pursuit of new business leads as well as managing their own accounts.

Job Responsibilities

- Prospect and generate new leads, as well as qualify leads generated by support functions
- Sell entire Multimedia product line (spot radio & TV, promotions, digital and special events)
- Attend promotional events and other client networking events
- Work in partnership with support team on pre-sale processes (e.g., preparing drafts of presentations, proposals)
- Work in partnership with support team on post-sale processes (e.g., entering orders, collections)
- Collaborate with all departments on potential client opportunities

Required Skills & Experience

- Excellent command of verbal and written communication
- Ability to conduct effective account planning and coordinate different resources to meet customer needs
- Strong analytical, organizational skills, and negotiations skills
- Ability to prioritize and multitask under deadline pressures
- Work well both independently and in a team environment
- High Proficiency in PowerPoint and Excel

Desired Skills & Experience

- Bachelor's Degree or equivalent experience
- 3 years minimum experience in tangible or intangible sales preferred from advertising/media
- Experience in generating new business preferred
- Bilingual in English/Spanish verbal and written skills
- Marketing background a plus

Eligibility Requirements

- Must be willing to work from office in Orlando, FL
- Must be willing to submit to a background investigation
- Applicants must be currently authorized to work in the United States on a full-time basis

Physical Requirements (Optional)

- Ability to stand, walk, bend, type, edit, reach and sit for up to (8) hours

For authorized use only.

Univision requires that all U.S. and Puerto Rico employees be vaccinated against COVID-19. This position will require the successful candidate to submit proof of vaccination. The Company is an equal opportunity employer, and will reasonably accommodate a qualified candidate, who may be unable to be vaccinated, consistent with federal, state, and local law.

Univision is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law.

Meteorologist

Job Requisition R010018 Meteorologist (Filled)
Job Family Writing and Reporting
Start Date 05/31/2022
End Date 08/11/2022
Primary Posting Description No

The Local Media News Department is seeking a motivated, experienced, organized and project-focused Meteorologist to join the team in Orlando, FL. The ideal candidate must be a certified broadcast meteorologist and have an "always-on" weather mindset. He or she should be an excellent communicator, possess commanding and professional on-camera presence with top-notch judgment. Our meteorologists are aggressive when covering active weather, keeping our audience informed across multiple platforms. Our meteorologists work in a collaborative and supportive role with our news producers, assignment desk, reporters, our weather team in Houston and with the local meteorologists at the National Weather Service. They are key to ensuring we produce our weather content creatively, on air, online and on radio.

Job Responsibilities

- Produce and effectively present daily forecast
- Develop strategies for multiple dayparts, identifying opportunities to produce content for specific newscasts
- Clearly communicating weather forecast and risk for potential active weather across platforms
- Conceive creative graphics and execute them on air and online
- Work in supportive role with other meteorologists to help produce content
- Coordinates with news department to produce news coverage of active weather events
- Produce and share content specifically designed for digital platforms
- Work in supportive role with other meteorologists to help produce content

Required Skills & Experience

- College degree in meteorological sciences or equivalent technical training in a meteorology-related institutional setting
- 2+ years of experience as a meteorologist, on-air in medium to large size markets
- Well-versed in the latest weather technology, including WSI Max
- Thrive under pressure, meeting tight deadlines
- Flexibility to work any shift including overnight, weekends and holidays
- Excellent oral and written communication skills in English and Spanish

Desired Skills & Experience

- CBM/NWA seal is desired
- High regard for details
- Ability to prioritize, self-start and meet deadlines
- Knowledge of synoptic meteorology, tropical and radar forecasting tools
- Technology savvy with excellent computer skills

Eligibility Requirements

- Must be willing to work from office in Orlando, FL
- Employment/education will be verified
- Must be willing to travel as needed
- Applicants must be currently authorized to work in the United States on a full-time basis

For authorized use only.

View Job Posting Details

11:28 AM
04/11/2024
Page 2 of 2

Physical Requirements (Optional)

- Must be able to work in outdoor and inclement weather conditions
- Ability to stand, walk, bend, type, edit, reach and sit for up to (8) hours

Univision requires that all U.S. and Puerto Rico employees be vaccinated against COVID-19. This position will require the successful candidate to submit proof of vaccination. The Company is an equal opportunity employer, and will reasonably accommodate a qualified candidate, who may be unable to be vaccinated, consistent with federal, state, and local law.

Univision is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law.

Description

ABOUT THE ROLE & TEAM:

The Local News Team at TelevisaUnivision in Altamonte Springs, FL is looking for a Multimedia Journalist to join our team!

You will be responsible for presenting accurate, balanced news stories, for shooting, editing, writing, and presenting accurate, daily news stories. You will work as a one-person operation and be responsible for reporting, shooting, and editing news stories and producing content for use in multiple outlets. The candidate will write and post across various platforms including updating web site and mobile products. You must be able to shoot and edit, be active in social media, and drive creative storytelling on a daily basis.

The candidate must work effectively under pressure and in a fast-paced environment, meeting tight deadlines and maintaining a positive attitude.

You will report to the VP, Regional News Director.

ABOUT YOU:

You are a creative journalist who can work across all of our dynamic platforms, who is able and willing to engage our viewers and online users on a daily basis. A journalist who is highly skilled, self-starter who can produce, shoot and edit stories under deadline pressure.

YOUR DAY-DAY:

- Reporting, shooting and editing video news stories and producing content for use in multiple outlets.
- Candidate will write and post across various platforms including updating web site and mobile products.
- The right candidate must know social media, do walk-and-talk live shots and be able to grab viewers with sights and sounds.
- Gather information, conduct interviews, shoot video, produce, report and edit assigned stories daily.
- Post video, pictures and stories to Website, Facebook, Radio and other social media outlets.
- Maintain strong familiarity with local, national and international news and issues of the day.
- Establish and maintain news contacts in the community
- Maintain a positive work atmosphere by behaving and communicating in a manner that works well with co-workers, supervisors and the community at large.
- Other duties as deemed necessary.

YOU HAVE:

- Minimum 1 year newsroom experience required; or equivalent combination of education and experience.
- BA degree in communication, journalism, television broadcasting or equivalent preferred.

OUR BENEFITS:

TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. We offer a wide selection of perks and benefits including PTO; tuition reimbursement; wellness and employee support programs; 401K; and life and other insurance plans. This is all in addition to our comprehensive and competitive health benefits package featuring medical, dental and vision coverage options.

For authorized use only.

Univision requires that all U.S. and Puerto Rico employees be vaccinated against COVID-19. This position will require the successful candidate to submit proof of vaccination. The Company is an equal opportunity employer, and will reasonably accommodate a qualified candidate, who may be unable to be vaccinated, consistent with federal, state, and local law.

Univision is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law.

Worker Sub-Type	Regular
Location	Altamonte Springs, FL
Time Type	Full time
Locations	
Supervisory Organization	Local Media Tampa Orlando News Operation (Gianncarlo Cifuentes-Lara (021520))

For authorized use only.

Job requisition id	R014625

Univision Local Media has an immediate opening for a full-time Anchor video journalist.

This position will be responsible for investigating, producing, shooting, and editing, writing and presenting accurate, balanced news stories and anchoring for the station's newscasts. Responsibilities include, but are not limited to shooting, editing, daily newsgathering, and reporting as well as appearances at community and station events in a fast-paced, extremely competitive market.

YOUR DAY-DAY: (aka Responsibilities)

- Produce and report news stories using ENG equipment, non-linear editing equipment, and related broadcasting equipment and newsroom computer systems.
- Write and proofread copy for accuracy prior to going on air.
- Research, investigate, interview, write, produce, and report daily news packages, special news series or weather-related stories on tape and/or live from the field.
- Research, investigate, interview, write, produce, and present news or weather-related reports for station's social media pages, other company broadcasts, websites and printed publications as assigned.
- Work well with P2 and XD cameras to shoot interviews.
- Establish a good working-relationship with newscast producers and co-anchors to ensure a well-paced, accurate and informative broadcast.
- Must be a strong and fast writer and have solid news judgment as a Producer.
- Attend and participate in off-site company-sponsored and community events as assigned by station management.
- Work flexible hours, including holidays, weekends, and evenings.

YOU HAVE: (aka Qualifications)

- High school diploma required.
- Must be fully bilingual in English and Spanish. Written and oral communication skills required.
- Must have working knowledge of television news photography and technology.
- Must be able to shoot with P2 and XD Cameras and edit under deadline pressure.
- Must have and maintain a good driving record and a valid driver's license, along with the ability to drive daily.

Desired Skills & Experience

- College degree in Journalism, Communication Studies, Radio-TV-Film, or equivalent experience
- Broadcast news experience as reporter or photographer/editor
- Prior experience in Spanish language broadcasting
- Personal computer experience required, including non-linear editing equipment.
- Must be able to multi-task, work well under extreme pressure, and communicate effectively.

Eligibility Requirements

- Employment/education will be verified.
- Applicants must be currently authorized to work in the United States on a full-time basis.

Physical Requirements

- Must be able to lift and carry broadcast video equipment (approximately 45 pounds), and have manual dexterity in use of keyboard, video editing equipment (linear and non-linear) video machines, server-based video editing and playback systems and broadcast equipment.

OUR BENEFITS:

TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. We offer a wide selection of perks and benefits including PTO; tuition reimbursement; wellness and employee support programs; 401K; and life and other insurance plans. This is all in addition to our comprehensive and competitive health benefits package featuring medical, dental and vision coverage options.

Univision requires that all U.S. and Puerto Rico employees be vaccinated against COVID-19. This position will require the successful candidate to submit proof of vaccination. The Company is an equal opportunity employer, and will reasonably accommodate a qualified candidate, who may be unable to be vaccinated, consistent with federal, state, and local law. Univision is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law.

Hola [Redacted]

Thank you for sending over the Anchor posting. The lead has been posted and I should be sending you some resumes to you by next week.

Here is a quick snapshot of how our process works

- Once I post a Job or Internship, the Career Advisors for each relative degree program will pre-screen resumes and candidates based on your job criteria as well as what they know about the grad.
- We'll check on their interest, location and availability then I will email those candidate's resumes to you in a few days. Once you have the resumes to review, you can connect with them directly.

Thank you for considering our graduates

PS: Will you be open to participate in one of our exclusive Virtual Hiring Events? We are in conversations about an exclusive US/Hispanic companies looking to hire candidates.

Let me know.

Best regards,

B-23: Assistant Director of
Technology

Date of Hire:	09/05/2023
Referral Source of Hiree:	Employee Referral
# of Interviewees for position and referral sources of interviewees	(5) Interviewees Employee Referral (1) Internal Candidate (1) LinkedIn (2) TU Careers Website (1)

JOB TITLE: Assistant Director of Technology

LOCATION: Orlando, FL

ABOUT THE ROLE & TEAM

The Engineering department at Televisa Univision Orlando is looking for an Assistant Director of Technology to join our diverse and energetic team!

The Assistant Director of Technology participates in the installation, maintenance and repair of TV studio/transmitter equipment to maintain signals in the market while complying with all FCC technical requirements.

Responsibilities include maintenance of telecommunications equipment, computers, networking systems and integrating platforms for online content.

The ADOT will work closely with all departments including News, Production, Promotions and Sales.

ABOUT YOU

The ideal candidate will have the opportunity to work with the Central Florida Univision Engineering team supporting a leading local market News operation.

The candidate will have many opportunities to learn and work on systems such as Ross production switchers and Wheatstone audio consoles, related terminal gear and graphics equipment.

YOUR DAY-DAY

- Supports and maintains a top market news production operation.
- Maintains station operation through preventive and corrective maintenance.
- Supports DOT with supervision of engineering staff members as needed.
- Establishes and follows routine maintenance procedures and schedules for all broadcast equipment.
- Ensures station compliance with rules and regulations applicable to FCC, local, state, and federal, laws.
- Performs necessary measurements of equipment performance.
- Installs and performs maintenance on control consoles, routers, recording equipment, microphones, digital audio systems, transmitters, antennas, control systems, remote equipment, etc.
- Provides maintenance and support of computer networks and related systems.
- Basic HVAC troubleshooting and operational maintenance, including water cooling systems.
- Works with the TV news and Operations department to maintain broadcast equipment as needed.

YOU HAVE

- Good understanding of applicable FCC rules and regulations
- Computer literacy in applicable software packages (Microsoft OS and Office Suite)
- Working knowledge of computer networking technology.
- Ability to troubleshoot broadcast equipment to the component level.
- Ability to troubleshoot and repair high power TV transmitting facilities.
- Familiarity with Ross and Wheatstone software/hardware products a plus.
- Must have excellent communication skills and excellent team leadership skills.
- Must be a team player willing to work with and accomplish repairs and assignments in a timely manner.
- Ability to meet deadlines and handle multiple tasks simultaneously.
- Knowledge of generators and UPS systems.
- Ability to read and interpret design documentation, including elevations, connection drawings.
- and schematics.
- Ability to maintain documentation to keep pace with changes.
- Ability to lift 70lbs and a valid driver's license.
- Experience in the maintenance and repair of high power RF systems a plus.
- Ability to speak Spanish a plus.

OUR BENEFITS:

TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. We offer a wide selection of perks and benefits including PTO; tuition reimbursement; wellness and employee support programs; 401K; and life and other insurance plans. This is all in addition to our comprehensive and competitive health benefits package featuring medical, dental and vision coverage options.

Univision is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law.
