

**Determination of Critical Issues/Programming
For Station: KOVO – AM
As of July 5, 2016**

KOVO-AM has done the following in determining what the 5 key issues are for our community of license which is Provo.

The information is gathered by corresponding with Provo City Administrators, Mayor's office, gathering information from meeting minutes, news articles, community calendars, and receiving information from Provo City's website.

The following are the issues of highest priority to Provo:

1. The use of the Dining Guide for Downtown Provo.
2. Signing up for activity and events alerts through the city's website at provo.org. Staying up to date and being aware of what is going on around the city of Provo and what type of activities they are. Checking out the city's website to get information on the month's calendar and newsletter.
3. Knowing what day your garbage and recycling products will be picked up. Recycle the correct items. The use of the Provo City Utilities App. Also using extra city dumpsters provided by the city.
4. Signing up for Provo's Mass Emergency/Notification Alert System.
5. Participating in the Provo Bike Challenge.

These items were discussed in The Provo City Community Calendar during the months of April, May, and June 2016, which airs Monday – Friday on KOVO 960 AM at 12:57 AM.
