

**Determination of Critical Issues/Programming  
For Station: KOVO – AM  
As of April 1, 2015**

**KOVO-AM has done the following in determining what the 5 key issues are for our community of license which is Provo.**

**The information is gathered by corresponding with Provo City Administrators, Mayor's office, gathering information from meeting minutes, news articles, community calendars, and receiving information from Provo City's website.**

**The following are the issues of highest priority to Provo:**

- 1. Citizens being aware of what is going on around them in their city by using 311 to report any issues/problems they witness.**
- 2. Signing up for activity and events alerts through the city's website at [provo.org](http://provo.org)**
- 3. Wanting their residents to be involved in public issues that will affect their community. Making their voices be heard. Federal Transit Administration and UTA environmental assessment proposal for the Provo-Orem bus rapid transit project.**
- 4. Taking pride in the community they live in. The creation of the new Provo City flag.**
- 5. Maintaining a clean community by taking advantage of city provided clean-ups including Christmas tree pick-up and extra city dumpsters allowing residents to get rid of waste properly.**

**These items were discussed in The Provo City Community Calendar during the months of January, February, and March 2015 which airs Monday – Friday on KOVO 960 AM at 12:57 AM.**
