REF: Title 47 Code of Federal Regulations Section 315 (b) (2) (D) states:

RADIO BROADCASTERS. - A candidate meets the requirements of this subparagraph if, in the case of radio broadcast, the broadcast includes a personal audio statement by the candidate that identifies the candidate, the office the candidate is seeking, and indicates that the candidate has approved the broadcast.

While there is not a local requirement for this personal audio statement in Guam Code Annotated, it is a Federal requirement to be in all campaign commercials airing on radio.

This requirement is for all Federal and Local elections. This memorandum is to inform the appropriate campaign official which authorizes the radio broadcast of the requirement for the personal audio statement by the candidate.
