- May 6 – Big Island under flash flood watch
- May 6 – Winter weather advisory for Big Island summits
- May 21 – Distant earthquake, no tsunami threat
- May 23 – Local earthquake, no tsunami threat
- June 3 – Local earthquake, no tsunami threat
- June 5 – Big Island brush fire
- June 17 – Local earthquake, no tsunami threat
- June 21 – Downed power line causes road closure

## **COVID-19**

Pacific Media Group's stations aired daily COVID-19 messages from Hawaii County Civil Defense for the entirety of the quarter, often updating them once daily with a new message around noon, when Civil Defense provided said message.

The announcements, presented by members of the Hawaii County Civil Defense Agency, mention the number of confirmed cases in the county, the number of active cases, information on testing sites, and locations of food drops across the island.

In some instances, based on developments, multiple messages were produced for broadcast, as noted above.

Additionally, News Director Max Dible provided local breaking news updates on COVID-19 when applicable throughout the day. Also, on-air talent used airtime to share daily updates affecting local and state living as part of their regularly scheduled programming.
