Fight For Air Climb

Fight for Air Climbs are unique fundraising events for the American Lung Association. They usually happen in prominent skyscrapers, stadiums or arenas and involve climbing multiple steps. Sometimes called a "vertical road race", teams and individual participants can use the event as a fitness target, as a race, with you challenging yourself or you racing against other people, or as a great way to be active and meet new friends. American Lung Association Climbs are also a wonderful way to support someone who has lung disease or as a memorial to someone who has passed away.

More than 600 participants will race to the top of 191 Peachtree Tower in the American Lung Association's Fight for Air Climb on April 16th, 2016.

Visiting Nurse Health System: Big To Do

Visiting Nurse Health System, the largest nonprofit in Georgia providing home healthcare and hospice services, is an organization dedicated to helping people manage their health and recover from illness in the comfort of their own home. Their nurses, therapists and other professionals give patients quality one-on-one care, helping them achieve the best possible outcomes in their homes, whether they are recovering from a surgery or acute illness or managing a long-term chronic condition. VNHS's goal is to allow the patients they serve to maintain their independence and avoid hospital or nursing home stays.

Visiting Nurse has one of only two pediatric hospice programs in Georgia, providing care at home or in our inpatient facility, the Hospice Atlanta Center. Pediatric patients require care that is more than double that of adult end-of-life services. In most instances, reimbursement from Medicaid or private insurance covers only a portion of their care.

To help continue the pediatric program, Visiting Nurse Health System hosts the The Big To Do each Spring. The 25th Anniversary of the BIG-TO-DO returns to Zoo Atlanta for a day of wildlife fun featuring giant pandas, orangutans, gorillas, giraffes, black rhinos, zebras and more! The event takes place Sunday, April 24th. The interview included ticket information and descriptions of the day in addition to the beneficiary.

Racetrac5K: Run For Research

"RaceTrac's Run for Research 5K" - in support of the Michael J. Fox Foundation for Parkinson's Research! This family-friendly event, which will be held in both Dallas and RaceTrac's hometown of Atlanta, is open to runners and walkers of all levels. All proceeds, including 100% of registration fees, will go directly to fund the Michael J. Fox Foundation's support of Parkinson's research. There will be free food, prizes, music and more at both events.

The Atlanta leg of the Run for Research takes place Saturday, April 16th in Cobb County. In addition to on-air promotion of the run and it's beneficiary, WYAY, NewsRadio 106.7, manned a water station in support of the Run.

The Michael J. Fox Foundation is dedicated to finding a cure for Parkinson's disease through an aggressively funded research agenda and to ensuring the development of improved therapies for those living with Parkinson's today.

Special Olympics: Over The Edge

This May take your support for Special Olympics Georgia to new heights! Do you think you can be as brave as our Special Olympics athletes by getting out of your comfort zone? Well, here's your chance! On May 7th, 2016 join "edgers" who are willing to face the challenge of raising \$1,000 to rappel off Buckhead Tower (a 20 story building) for the 25,878 athletes of Special Olympics Georgia.

Special Olympics Georgia provides year-round sports training and athletic competition for children and adults with intellectual disabilities. Their goal is to help bring persons with intellectual disabilities into the larger society under conditions whereby they are accepted, respected, and given the chance to become useful and productive citizens. Special Olympics Georgia invests in people with intellectual disabilities, helping them to develop athletic skills, while also promoting the abilities of the athletes off the field. Athletes gain skills for employment, learn independent living skills, form relationships and help others understand their extraordinary capabilities despite health issues they experience daily.

Career Counseling: Spring Cleaning Your Career

In these uncertain economic times people either find themselves unemployed or at a disadvantage with their employer. Each month Career Counselor Hallie Crawford comes in to discuss these issues as well as new tips on how to be viable in the current market. Among the topics are finding the right job/your perfect job; staying in the same field or new job training; and the benefits of being employed while pursuing a new career.

Spring is the season where new things grow — little by little, color and life seep back into the world. The weather gets warmer, moods lift, and happiness is rediscovered. Hallie invited listeners to think of their job in the same light come this Spring by offering "12 ways to fine-tune your work". These included everything from decluttering your work space and computer to updating your work style.

Goodwill: Spring Cleaning

Goodwill of North Georgia provides job training and employment services to people who are having trouble finding work, want to change careers, or start their own business. With the agency's support, Goodwill participants overcome employment hurdles caused by physical, emotional and developmental disabilities, limited job skills, poverty and other challenges. Goodwill sells donated clothing, books, furniture and household goods in stores across North Georgia and the proceeds help fund their mission of putting people to work.

Elaine Armstrong for Goodwill came in to discuss Spring cleaning and thinking of Goodwill before tossing gently used but still viable clothing, books and other products.

Georgia Commute Options: Pool To School

As Georgia grows, so do its traffic congestion and air quality challenges. Addressing these challenges requires a full-range of strategies -- from strategic investments in new transportation supply to demand management strategies that ensure we are making the most efficient use of our transportation investments.

Georgia Commute Options works under contract with Georgia DOT to deploy a suite of cost-effective demand management programs and services to Georgia employers, commuters and schools.

Georgia Commute Options and its partners offer assistance to more than 1,600 employers to design and implement commute options programs that make business sense; protect public health; offer targeted incentives to commuters and employers; provide Smog Alert notifications; and work with elementary, middle and high schools to protect children from harmful pollution and empower children to take a positive role in reducing traffic and cleaning the air.

On today's show we highlighted the Pool To School program. Much like Georgia Commute Options other carpool initiatives, Pool To School offers incentives and a community communication tool to find a pool school in your area. They also encouraged contacting your local school to see if they might join the program.

Goddard School-Complexity of Education

The Goddard School approach is based on widely accepted childhood development and brain-based learning research that clearly indicates the deepest, most genuine learning occurs for children through play and fun activities. Goddard fosters the cognitive and social development of each child through fun activities that are lovingly guided by highly trained teachers.

Representatives of the Goddard School came in to discuss the complexities of education and the importance of a community approach to a child's learning. Parental involvement in the process and developing a relationship with your child's educators was first and foremost in the discussion.

Atlanta Fire Rescue-Open House

The Atlanta Fire Rescue Department opened its fire stations on Saturday, June 21, for its seventh annual Open House event. Visitors were encouraged to stop by to meet the firefighters and tour the stations from 10 a.m. to 3 p.m that Saturday.

Fire Station 25, 2349 Benjamin E. Mays Drive SW, served as the primary Open House station, offering food, entertainment and preventive health care vendors.

Representatives from the department came in to promote the event and highlight the need for community interaction with their local fire rescue houses.

Year Up

Year Up's mission is to close the Opportunity Divide by providing urban young adults with the skills, experience, and support that will empower them to reach their potential through professional careers and higher education.

Year Up is a one-year, intensive training program that provides low-income young adults, ages 18-24, with a combination of hands-on skill development, college credits, corporate internships, and support.

Their program emphasizes academic and professional rigor, setting expectations high for quality of work and professional behavior. A strong structure guides students through the steps necessary for achieving success in the classroom and the workplace.

For the first six months of the program, students develop technical and professional skills in the classroom. Students then apply those skills during the second six months on an internship at one of Year Up's corporate partners. Students earn college credits and a weekly stipend, and are supported by staff advisors, professional mentors, dedicated social services staff, and a powerful network of community-based partners.

Dekalb County Teacher Job Fair

The DeKalb County School District held a summer job fair for certified teachers on June 28 to fill 372 vacancies ahead of the 2016-2017 school year. Interested teachers were encouraged to bring multiple copies of their resume, transcript and content assessment scores. The need for elementary, for middle, high-school and special education teachers was highlighted during the interview.

District officials said recently that several hundred positions are up for grabs as the new year approaches. Leo Brown, the district's human resources chief, said 471 teachers resigned during this past school year, down from 675 in 2014-15.
