

FINANCIAL HARDSHIP WAIVER CERTIFICATION
UNDER CALM ACT

I am President of Prime Time Christian Broadcasting, Inc. ("PTCB"), licensee of Stations KPTB-DT, Lubbock, Texas, KPCB-DT, Snyder, Texas, KPTF-DT, Farwell, Texas, KMLM-DT, Odessa, Texas, and KPRV-DT, Roswell, New Mexico. This Certification has been prepared as the basis for a request for a one-year extension of the previously granted one-year automatic waiver of the CALM Act equipment compliance requirements, pursuant to Section 2(b)(2) of the CALM Act. PTCB's initial automatic compliance waiver request was filed and automatically granted on December 13, 2012.

1. I hereby certify, under penalty of perjury, that our five above-described full-power TV stations qualify separately and together as stations with no more than \$14.0 million in annual receipts.
2. I hereby certify, under penalty of perjury, that PTCB needs a further delay of one year – until December 13, 2014 – to purchase the following equipment that we need for CALM Act compliance in order to avoid the financial hardship that would be imposed if PTCB were required to obtain the equipment sooner:
 - a. Two (2) CALM audio processors to maintain our audio output within specified parameters. These processors would be located at our Odessa master control point for the main and backup parallel outputs of our satellite feed; and
 - b. At least four (4) spot check audio monitors to verify that the outputs at our main satellite uplink and backup uplink at Odessa are within specified parameters.
3. The Commission's understanding in this matter is greatly appreciated. For the reasons stated in this Certification, PTCB respectfully requests a one-year extension of the previously granted one-year automatic waiver of the CALM Act compliance deadline until December 13, 2014 for its five stations.

Executed on December 10, 2013.
