Mr. Jacobs,

Barbara forwarded me your email because the Policy Division handles CALM waiver requests.

Extensions of streamlined financial hardship waiver requests are processed the same as the initial request, meaning that the station may consider the waiver request granted when it files the request (with the required certification) online in the docket MB 11-93 via ECFS and receives an automatic "acknowledgement of request," unless the Media Bureau notifies the station of a problem or question concerning the adequacy of the filing.

Please call me if you have any questions.

Thanks,

**Subject:** CALM Act on-year extension of Streamlined Financial Hardship Waiver

12/13/13

Dear Barbara:

On December 11, 2013, using the ECRFS electronic filing system, I filed a request for a one-year extension of the previously granted one-year automatic financial hardship waiver of the CALM Act equipment compliance requirements on behalf of my client, Prime Time Christian Broadcasting, Inc. Attached are copies of the cover letter, the Financial Hardship Waiver Certification, and the ECFS confirmation sheet. It appears that under Section 2(b)(2) of the Calm Act, one-year extensions of automatic waivers are contemplated. Prime Time's automatic waiver was granted on December 13, 2012, and it is seeking an extension until December 13, 2014.

Many thanks for your assistance in this matter. Please direct any inquiries or correspondence concerning this matter to me.

Best regards,

Jerry
