

## WPKE-AM

### Fourth Quarter Issues

October 22<sup>nd</sup>- Began letting listeners know of an upcoming road closure in the Dorton area for the upcoming weekend. Bus routes for school would be affected, so we ran daily reminders of the closure and for drivers to make detour plans;

October 27<sup>th</sup>- Spoke with the Transportation department as there was a delay on the road closure previously announced. All new details were announced on when work would begin taking place.

October 28<sup>th</sup>- Announced last sweeps for flood debries from the flooding that take place in the area earlier in the year for listeners in Knott, Letcher, Floyd, and Pike counties;

October 31<sup>st</sup>- Gave out information about safe Trick of Treating for Halloween night;

November 1<sup>st</sup>- Began letting listeners know of road work taking place at intersection to Cassidy Blvd in Pikeville. Traffic counter wiring was installed that night. Reminded drivers one lane would be available from 7pm to 6am and to use caution and reduce speed;

November 4<sup>th</sup>- Went live with news from 911 about US 460 shutting down due to an auto accident;

November 4<sup>th</sup>- Began letting listeners know of traffic delays due to a local Firefighters funeral procession. Gave details on the procession and reminded motorists delays would take place and to use caution;

November 29<sup>th</sup>- Spoke with Transportation department about road closure in the Dorton area after rescheduling;

December 4<sup>th</sup>- Announced road was reopen to motorists;

December 15<sup>th</sup>- Began letting listeners know of a Pike County Relief Service Open House for flood survivors on December 22<sup>nd</sup> providing aid to such as FEMA and Red Cross representatives;
