REGULAR PROGRAMS THAT ADDRESS COMMUNITY ISSUES

FORUM FOR NONPROFITS: A 30-minute interview forum. Dynamic and cutting-edge, every week, The Forum for Non-Profits features one or more organizations worthy of philanthropic support--and encourages listeners to jump on their bandwagon. In addition, leading consultants give advice to help nonprofits succeed, and donors and other sources of funding explain how best to approach them for contributions. Airt every Sunday at 6:30am on WSBR and every Sunday at 7:30am on WWNN. Hosted by various hosts.

PUBLIC SERVICE ANNOUNCEMENTS - These are 30 and 60 second live or pre-recorded announcements that are community service oriented. The issues addressed include both local and national concerns. Each announcement addresses various issues from non-profit/service oriented agencies - topics include humanitarian aid, volunteering, consumer protection, education, family issues, health issues, and a variety of local and national charities.

FUNDING ARTS BROWARD

Drazia Rubenstein, Volunteer board president was the guest along with Bryan Knicely on April 20. Drazia discussed how Funding Arts Broward (FAB) helps enrich Broward county's visual and performing arts programs. FAB was started in 2003 by a group of women with the realization that something had to be done to preserve the arts in Broward county due to governmental cutbacks. As a board member Drazia and the entire FAB organization's goal is to create sustainable, expanding pools of monies to be able to award grants to eligible nonprofit art based organizations. Bryan Knicely, is the recipient of one of the FAB grants. He is the Executive Director of Coral Springs Art Museum. He discussed how FAB has helped provide the museum with new programs of interest to the Coral Springs community.

AMERICAN ASSOCIATION OF CAREGIVER YOUTH

Kim Fort- Family Specialist was accompanied by Gerry Fallon, Communications Director and Mary Ann, a client. Kim was most passionate about the work she does in the local schools to assist children who are caring for their families at home with illness. AACY is the only organization of its type in the US providing a support network for young children in middle and high school who attend school during the day and come home only to help their family member with their medical needs. AACY increases awareness of the dual role youth that are both students and caregivers with their families. AACY strives to raise awareness through education, research and direct services in cooperation with social, education, healthcare, government and community corporations organizations and agencies.
