Closed Caption Certification

FCC rules require video programming distributors to caption programming delivered using IP if it was shown on television with captions.

Please initial those that are applicable:

The following programing satisfies the required caption quality standards

OR

The following programming is exempt from the closed captioning rules under one or more properly attained exemptions. **If you are claiming an exemption, please use the space provided below to specify all exemptions that apply**

OR

All programming is exempt from the closed captioning rules under one or more properly attained exemptions. **If you are claiming an exemption, please use the space provided below to specify all exemptions that apply**

No programming delivery using IP

This certification is made in good faith and is true to the best of my knowledge.

Executed this day 30th of June 2022.
