South Bend, Indiana

## ISSUES RESPONSIVE PROGRAM LISTING

For

April, May, June 2022

---

### INTRODUCTION

As per the revised Federal Communications Commission public inspection file rule (Section 73.3525 (a)), this document is submitted in the licensee's good faith judgment.

The following issue responsive programming list represents the station's most significant treatment of the issues believed to be of concern during the preceding three months.

WHME-FM provides a format that is consistent and appealing to generate maximum listener response.

## ISSUES TODAY (WHME/WHPD/WHPZ)

Saturdays

05:00am

28:30

Apr. 4) Regina Herzlinger discusses the healthcare worker shortage. David Shepherd and Harold Sinnott give a preview of the workplace of tomorrow plus Dr. Michael Breus with some anti-snoring tips.

Apr. 10) Chris Orestis gives tax tips for seniors. Two health pros discuss genetic disease and Mutual of Omaha's Co-Host Peter Gros talks about wildlife in your own backyard.

Apr. 17) Thomas Tighe will discuss how to send aid to Ukraine. Dr. Catherine Athans will detail ways to fight war stress plus co-hosts of the Real Brady Bros. Podcast will guest.

Apr. 24) Isaac Stonefish comments on the growing strength of China. Katherine Secaida talks about efforts to aid the children of incarcerated parents plus Dr. Francis Palmer on anti-aging from the inside.

May 1) Robert Mazur describes the increasing use of money laundering in society. Frank Holloman will detail the organ donation crisis plus Mark Blum on high drug costs.

May 8) Cassidy Pont talks about hunger in America. Dr. Steven Knauf details how chiropractic procedures can help pregnant women plus Erica Hughes on moguls in the making.

May 15) Bill Pekny discusses climate change. Melinda Emerson comments on minority-owned entrepreneurs plus Yu-Ling Cheng on family learning opportunities throughout the nation.

May 22) Victoria Gillespie will report on the real estate market. Johnny White discusses why appraisals of personal property are important plus Dr. Regine Muradian on the effects of debt on mental health.

May 29) Mark Lowcock discusses world hunger. Dr. Dan Werb talks about modern vaccine research plus Cassidy Puckett on tech-savvy teens.
