Slug=FAMILY WORKS

THERE'S NOTHING QUITE LIKE THE SMELL OF A NEWBORN, FRESHLY BATHED BABY. BUT, AS TIME GOES ON, OUR KIDS GET OLDER, AND THEY GET DIRTY. AND THEN THEY START SPORTS, AND THEY GET REAL DIRTY. WHEN THEIR HYGEINE IS NO LONGER UP TO US, THIS CAN BE FRUSTRATING FOR PARENTS, AND TEACHERS. MY NEXT GUEST TEACHES LIFESPAN DEVELOPMENT COURSES IN EARLY CHILDHOOD EDUCATION AND PSYCHOLOGY, AND HAS BEEN SOUGHT OUT BY PARENTS FOR HER ADVICE ON PERSONAL GROOMING FOR KIDS. DR. LISA FIORE IS ALSO LESLEY UNIVERSITY'S DEAN OF FACULTY.

Slug=CONCUSSIONS

THE ISSUE OF CONCUSSIONS IN YOUTH SPORTS CONTINUES TO BE A CONCERN FOR PARENTS, ESPECIALLY WHEN IT COMES TO FOOTBALL. PARTICIPATION IN YOUTH FOOTBALL HAS DROPPED THREE STRAIGHT YEARS IN MASSACHUSETTS. NOW THE N-F-L AND PATRIOTS ARE TRYING TO DO SOMETHING ABOUT IT. THE TEAM HOSTED A CONCUSSION AWARENESS CLINIC LAST NIGHT FOR LOCAL MOMS. NEARLY 500 SHOWED UP TO GET EDUCATED ON THE PROPER WAY TO WEAR EQUIPMENT, AND THE IMPORTANCE OF HYDRATION. CURRENT PATS PLAYERS HELPED OUT WITH THE DRILLS, SHOWING THE SAFEST BLOCKING AND TACKLING TECHNIQUES.
