## **Public Notice**

On November 26, 2011 WBLR was granted a license by the Federal Communications Commission to serve the public interest as public trustees until December 1, 2019, at which time the license will expire. We must file application for license renewal with the FCC on August 1, 2019. Once filed, copies will be available for public inspection during our regular business hours.

The applications contain information concerning this station's performance during the last eight years. Individuals who wish to advise the FCC of facts relating to our renewal applications and to whether we have operated in the public interest should file comments and petitions with the Commission by November 1, 2019. Further information concerning the broadcast license renewal process is available at 2278 Wortham Lane, Grovetown, GA or may be obtained from the FCC, Washington, D.C. 20554
