ISSUES PROGRAMS LIST

Quarterly Issues Programs List for

WARH-FM

April 1 – June 30, 2023

Placed in Public File on

July 10, 2023

Section I. Issues

The station has identified the following issues as significant issues facing our community in this quarter:

- A. **Child Development:** Discussions pertaining to the mental, physical, and social welfare of children and adolescence in the broadcasting community.
- B. **Environment | Climate Change | Sustainability:** Issues impacting the environment and the effect the environment has on the community.
- C. **Community | Non-Profit:** Identifying and solving community issues.
- D. **Animal Welfare | Wildlife:** Topics related to the humane care and treatment of domestic and wildlife animals.
- E. **Education | History:** Content intended for instruction and/or enlightenment.
- F. **Health:** Topics related to mental and physical health.

Section II. Responsive Programs

The station has broadcast programming dealing with each of the above referenced issues. Programming dealing with each issue is set out below.

A. **Child Development:**

“Talk of the Town” – Broadcast on April 2, 2023, at 5:30AM; Duration: 30 minutes

CHADS Coalition: Talk of the Town Host, Lauren Elwell chats with Colleen Pace, Chief Program Officer and Nolan Brunnworth, Director of Development of CHADS (Communities Healing Adolescent Depression and Suicide) about their efforts to help young people in the St. Louis area. CHADS has a mission of saving lives of young people by advancing the awareness and prevention of depression and suicide. CHADS has many different programs that help many of the area’s school districts and families navigate through the intense conversations surrounding mental health and the people affected with anxiety, depression, and suicidal thoughts.

Compliance Issues Covered: Child Health, Community, Education, Family Relationship, Mental & Physical Health

“Viewpoints” – Broadcast on April 30, 2023, at 6:22AM; Duration 2:12 minutes.

Viewpoints Explained, Tackling Adolescent Obesity: The American Academy of Pediatrics has just released a new set of guidelines urging pediatricians to take a more proactive and stringent approach for young patients struggling with obesity. We highlight these updated recommendations and the lasting effects of being obese early in life.

Host: Ebony McMorris

Compliance Issues Covered: Obesity, Adolescent Health, Disease, Pediatric

“Talk of the Town” – Broadcast on May 14, 2023, at 5:30AM; Duration: 30 minutes

Unleashing Potential: Talk of the Town Host, Grant Francis welcomes in President and CEO Darlene Sowell, and Chief Program Officer Gloria Hampton from Unleashing Potential. Unleashing Potential is a nonprofit organization whose mission is to close the opportunity gap for children and youth by building on their strengths. They create educational and empowering experiences through early childhood education, after school programs, youth development and enrichment camps in multiple communities around the St. Louis area.

Compliance Issues Covered: Child Development, Community, Education, Inequality, Nonprofit

“Viewpoints” – Broadcast on June 4, 2023, at 6:22AM; Duration 2:30 minutes.

Viewpoints Explained, A New Warning by The U.S. Surgeon General: The U.S. Surgeon General recently issued an advisory on the dangers of heavy social media use early in life. We discuss why experts are urging parents, politicians, and companies to act now.

Host: Ebony McMorris

Compliance Issues Covered: Child Development, Social Media, Mental & Public Health

“Viewpoints” – Broadcast on June 11, 2023, at 6:11AM; Duration 9:50 minutes

Viewpoints: De-Bunking the Misconceptions & Stigmas of ADHD: Nearly 10 percent of American children have ADHD. We spoke with a clinical child psychologist at Harvard Medical School, Dr. Ellen Braaten, about the different types & presentations of this disorder, how it affects children and common challenges for diagnoses, acceptance, and treatment.

Host: Marty Peterson. **Guest:** Dr. Ellen Braaten, Clinical Child Psychologist, Associate Professor, Psychology, Harvard Medical School, Director, Learning and Emotional Assessment Program, Massachusetts General Hospital, author, Bright Kids Who Couldn't Care Less

Compliance Issues Covered: Learning disorders, Child Development, Education, Parenting, Mental Health

B. Environment | Climate Change | Sustainability

“Talk of the Town” – Broadcast on April 9 & 16, 2023, at 5:30AM; Duration: 30 minutes

Earth Day 365: Talk of the Town Host, Lauren Elwell and Co-Host Grant Francis speak with Executive Director of Earth Day 365, Dr. Jess Watson. One of the biggest days of the year for Earth Day 365 is their St. Louis Earth Day Festival, coming up on April 22nd & 23rd from 11 am – 5 pm at the Muny Grounds in Forest Park. We chatted with Dr. Watson about circularity and sustainability, two of the most important aspects of what Earth Day 365 is about. We discussed some of the most important issues surrounding sustainability and how Earth Day 365 is helping the community, including eliminating food waste, neighborhood cleanups and introducing programs such as Recycling on the Go, the Green Dining Alliance, and Kind Box.

Compliance Issues Covered: Environment, Community, Education, Health

“Talk of the Town” – Broadcast on April 23rd, 2023, at 5:30AM; Duration: 30 minutes

AmeriCorps STL: Talk of the Town Host, Grant Francis talks with Development Manager for AmeriCorps STL, Tim Elwell. AmeriCorps STL is a non-profit organization that engages national service volunteers in community service initiatives, addressing critical unmet needs in the St. Louis region. Some of these needs include disaster relief, environmental stewardship, wildland firefighting and helping the unhoused community. We talked about addressing those areas of need, striving to fulfill their slogan, “See the need, meet the need” and how people can become a member and help support AmeriCorps.

Compliance Issues Covered: Community, Education, Environmental, Disaster, Homelessness

“Viewpoints” – Broadcast on April 23, 2023, at 6:22AM; Duration 1:42 minutes

Viewpoints Explained: An Unusual Spring: April has been an odd month weather wise. The West saw colder-than-average temperatures while the Midwest and East saw several days of record highs. While this change may be a nice surprise, these shifting weather patterns throw off natural cycles for countless species.

Host: Ebony McMorris

Compliance Issues Covered: Climate Change, Meteorology, Agriculture Industry

“Viewpoints” – Broadcast on May 7, 2023, at 6:21; Duration: 2:25 minutes

Viewpoints Explained: A New Era of Electric: We cover the newly proposed EPA guidelines for auto manufacturers and how it will impact the car market and consumers.

Host: Ebony McMorris

Compliance Issues Covered: Auto Industry, Manufacturing, Government, Climate Change

“Viewpoints” – Broadcast on May 28, 2023, at 6:01AM; Duration 8:16 minutes

The Toll of Excess Clothes Production: Despite increased media coverage on fast fashion, the industry continues to thrive and expand. We speak with fashion activist and expert Maxine Bedat about the recent changes in the fast fashion landscape and why there’s a greater focus now on legislation rather than consumers.

Host: Gary Price. **Guest:** Maxine Bedat, founder, director, New Standard Institute

Compliance Issues Covered: Climate Change, Consumerism, Marketing, Sustainability, Fashion, Labor Rights

“Viewpoints” – Broadcast on June 4, 2023, at 6:12AM; Duration: 8:56 minutes

Climate Change in Full Bloom: The Impact of An Earlier Spring & Summer: If you live in the Midwest or Northeast, you probably enjoyed that brief stretch of 80-degree days this past April. While the warmer weather can be a nice change, this unusual and sudden shift has countless consequences on wildlife, plant species and the many industries that rely on predictable cycles. We speak with environmental expert Theresa Crimmins about the causes and effects of changing weather patterns.

Host: Marty Peterson. **Guest:** Theresa Crimmins, director, USA National Phenology Network, research professor, School of Natural Resources and the Environment, University of Arizona

Compliance Issues Covered: Climate Change, Weather Patterns, Agriculture, Wildlife Species, Migration, Economy

“Viewpoints” – Broadcast on June 18, 2023, at 6:01AM; Duration: 8:07 minutes
Cities Left Behind: The Reality of Population Decline: The COVID-19 pandemic shook up how Americans work, where they live and what they value in life. But, as people move past the pandemic, demographers wonder if certain migration trends are here to stay or will eventually shift back. This week – we talk about population trends over the last few years and how this is impacting cities that were once bustling and booming.

Host: Gary Price. **Guest:** Hans Johnson, demographer, senior fellow, Public Policy Institute of California

Compliance Issues Covered: Population Trends, Culture, Local Revenue, Crime, Environment, Urban Design, Education

C. Community | Non-Profit

“Talk of the Town” – Broadcast on May 28, 2023, at 5:30AM; Duration: 30 minutes
Food Outreach: Talk of the Town Host, Grant Francis speaks with Executive Director of Food Outreach, Julie Lock. Food Outreach is the only St. Louis area organization whose mission is to provide nutritional support and enhance the quality of life for men, women, and children living with HIV or cancer. Julie joins as Food Outreach is collaborating with DOORWAYS to launch a program providing housing and nutrition for people living with HIV.

Compliance Issues Covered: Nutrition, Affordable Housing, Diet, Nonprofit, Disease, Health

“Viewpoints” – Broadcast on June 4, 2023, at 6:01AM; Duration 8:56 minutes
Bridging the Gap for Low-Income Families: Over 40 percent of U.S. households struggle to afford necessities like groceries, gas, rent, internet, and healthcare. With rising costs, stagnating wages, and minimal federal assistance, it’s become all too common to feel overwhelmed and stuck in a perpetual cycle of barely scraping by. We cover this growing crisis and how individuals and families can get help through their community network.

Host: Gary Price. **Guests:** Stephanie Hoopes, national director, United for ALICE: Cherry, New Jersey resident

Compliance Issues Covered: Low-Income Populations, Career, Inflation, Financial Hardship, Public Assistance, Non-Profit Organization, Parenting, Generational Poverty

“Talk of the Town” – Broadcast on June 18, 2023, at 5:30AM; Duration: 30 minutes
MindsEye: Talk of the Town host, Grant Francis welcomes in President and CEO, Jason Frazier of MindsEye. MindsEye is a non-profit organization whose mission is to build a more inclusive community by translating video into audio for people who are blind or visually impaired. One way they serve their community is through their Adaptive Athletics Program. Jason joins the show ahead of their Beep Ball Tournament to discuss details.

Compliance Issues Covered: Community, Non-Profit, Recreation, Sports Industry, Senses

“Viewpoints” – Broadcast on June 18, 2023, at 6:11AM; Duration 9:53 minutes
Cannabis & Profit: A Need to Make Reparations: It’s expected that the U.S. cannabis industry will surpass 50 billion dollars in revenue by 2028, according to top cannabis research firm. Brightfield Group. Each year, new states are legalizing recreation marijuana, building new opportunities for entrepreneurs. But who gets a piece of this pie? How’s the industry building a more equity le space that people at all socioeconomic levels can enter? We talk about the current landscape and the changes that need to be made to include communities and populations who’ve been historically targeted during the War on Cannabis.

Host: Marty Peterson. **Guest:** Akwasi Owusu-Bempah, professor, sociology, University of Toronto, director, research, Campaign for Cannabis Amnesty, co-author, Waiting to Inhale: Cannabis Legalization and the Fight for Justice.

Compliance Issues Covered: Drug Legalization, Politics, Entrepreneurship, Business Revenue, Criminal Justice, Community

“Talk of the Town” – Broadcast on June 25, 2023, at 5:30AM; Duration: 30 minutes

Alton Athletic Association: Talk of the Town host, Grant Francis speaks with President Madeline Eades, Secretary Amy Lombardi, and Public Relations/Membership Manager Craig Lombardi of the Alton Athletic Association. The Alton Athletic Association works to unite parents, coaches, athletes, students, faculty, staff, and the Alton community in a way that enhances the sharing of school spirit and financial support of their athletic program.

Compliance Issues Covered: Community, Sports Industry, Recreation

D. “Animal Welfare | Wildlife

“Viewpoints” – Broadcast on April 16, 2023, at 6:01AM; Duration 8:44 minutes

Spring: A Time of Flight for Birds, As the weather warms up, you may be hearing and seeing more birds in your backyard. Spring is peak migration from this species, but in recent decades, there’s been a 30 percent decline in North American bird varieties. We spoke with one expert about the challenges facing these animals and how listeners can make a difference.

Hosts: Gary Price. Guest: Rebecca Heisman, science writer, author, Flight Paths: How a Passionate and Quirky Group of Pioneering Scientists Solved the Mystery of Bird Migration

Compliance Issues Covered: Animal Migration, Animal Science, Endangered Species, Wildlife Conservation, Climate Change

“Talk of the Town” – Broadcast on April 30, 2023, at 5:30AM; Duration: 30 minutes

Carol House Quick Fix Pet Clinic: Talk of the Town Host, Grant Francis welcomes in Community Outreach Manager, Andrea Schwartz and Veterinary Technician Assistant, Kelly Thorpe of Carol House Quick Fix Pet Clinic. Carol House Quick Fix Pet Clinic is a 501©3 Not-For-Profit organization that specializes in spay & neuter surgeries and other preventative care for dogs and cats. Other care they provide includes vaccinations, various tests, microchipping, and preventative medications such as heartworm prevention.

Compliance Issues Covered: Animal Welfare, Community, Education, Employment Issues, Nonprofit

“Talk of the Town” – Broadcast on May 21, 2023, at 5:30AM; Duration: 30 minutes

Duo Dogs: Talk of the Town Host, Grant Francis chats with CEO of Duo Dogs, Dawn Van Houten. Duo dogs is a not-for-profit organization that trains and connects dogs with people to cultivate positive change in individuals, families, and communities. Dawn talks about the training these dogs go through, the people these dogs help, and how involved duo dogs are in the St. Louis community.

Compliance Issues Covered: Animal Welfare, Community, Health, Mental Health, Nonprofit, Stress, Training, Trauma

“Viewpoints” – Broadcast on June 11, 2023, at 6:01AM; Duration 7:55 minutes

The 10,000 Year Relationship: Our Long-Held Fascination & Love for Cats: Cats get a lot of hate across the world for being un-trainable, moody, and, at times, hard to figure out. This week- we cover all things cats and why these furry felines (who’ve long been human companions) are unique.

Host: Gary Price. Guest: Jonathan Losos, evolutionary biologist, associate professor, biology, Washington University in St. Louis, author, The Cat’s Meow: How Cats Evolved From the Savanna to Your Sofa.

Compliance Issues Covered: Wildlife, Animal Domestication, Evolution, History, Culture, Civilizations, Science

E. Education | History

“Viewpoints” – Broadcast on April 2, 2023, at 6:01AM; Duration 7:36 minutes

Failing America’s Teachers: Between February 2020 and May 2022, around 300,000 teachers left teaching to pursue another profession. While the COVID-19 pandemic is no longer a front and center issue, millions of public-school educators are still struggling to keep going in positions that mean long hours, low pay, and a growing number of curriculum mandates. In part one of this story, first grade teacher Lori Cash – who’s taught for more than 30 years – shares the challenge teachers are facing and touches on a few points that need to change.

Host: Gary Price. **Guest:** Lori Cash, 1st Grade Teacher, Columbus Signature Academy Lincoln Elementary.

Compliance Issues: Education, Career, Public Policy, Politics, School Funding, Personal Finance

“Viewpoints” – Broadcast on April 9, 2023, at 6:13AM; Duration 8:33 minutes

A History: The Beginnings of Mass Transit in America: Millions of Americans rely on mass transit each day to get to where they need to be. While mass transit has had its ups and downs in recent decades – and especially during the COVID-19 pandemic-there will always be a need for this public resource. We spoke with mass transit expert Steven Beaucher about the state of mass transportation agencies today and the first subway system built in Boston.

Host: Marty Peterson. **Guest:** Steven Beaucher, mass transit expert, author, Boston in Transit: Mapping the History of Public Transportation in the Hub

Compliance Issues Covered: History, Urban Planning, Engineering, Public Transportation, Industrial Revolution, Public Resources

“Viewpoints” – Broadcast on April 23, 2023, at 6:01AM; Duration 8:03 minutes

Helping America’s Educators: More than a third of educators in America are considering leaving their positions, according to recent research from consulting firm, McKinsey. We speak with two education experts about the mounting challenges both new and veteran teachers are facing and how average Americans can better advocate for the teachers in their communities.

Host: Gary Price. **Guest:** Megan Franke, professor, education, University of California-Los Angeles; Alexandra Robbins, education expert, author, The Teachers: A Year Inside America’s Most Vulnerable, Important Profession

Compliance Issues Covered: Public Education, Career, Education Policy, Education Funding, Education Reform

“Talk of the Town” – Broadcast on May 7, 2023, at 5:30AM; Duration: 30 minutes

TEDxStLouis: Talk of the Town Host, Grant Francis speaks with License Holder and Co-Founder for TEDxStLouis, Mich Hancock. TEDxStLouis is a non-profit organization devoted to ideas worth spreading. Mich joins the show ahead of the TEDx talks being held on May 13th in St. Louis called the, “Imagine That!” talks. These discussions address topics that imagine the world in a new, more positive outlook. They invoke thought that inspires positive change in the world, and it’s hosted by people native to St. Louis.

Compliance Issues Covered: Arts, Community, Education, Entertainment, Pediatric Health

“Viewpoints” – Broadcast on May 21, 2023, at 6:01AM; Duration 8:26 minutes

Why Don’t More Schools Teach Financial Literacy? Currently, only 40 percent of students in the U.S. take a personal finance course before graduation. This means that most teenagers leave high school knowing little about saving, spending, student loans and how to do basic adult tasks like filing taxes. This week, we cover the push to change education legislation so more school curriculums incorporate a standalone financial literacy class.

Host: Gary Price. **Guest:** Tim Ranzetta, co-founder, Next Gen Personal Finance

Compliance Issues Covered: Education, Personal Finance, Retirement, Financial Independence, Education Policy

“Viewpoints” – Broadcast on June 25, 2023, at 6:01AM; Duration 8:34 minutes

Isaac Murphy: A Forgotten Sports Legend: A couple months back, millions of Americans dressed up, donned their hats and blazers, and went to the racetrack for the biggest horse racing event of the year. The Kentucky Derby. This week – we discuss the early history of horse racing in America and one African American jockey who made a lasting impact on the sport.

Host: Gary Price. **Guest:** Katherine Mooney, associate professor, history, Florida State University, author, Isaac Murphy: The Rise and Fall of a Black Jockey.

Compliance Issues Covered: American History, Sports History, Race, Inequality, Civil Rights, Culture, Career, Diversity

“Viewpoints” – Broadcast on June 18, 2023, at 6:22AM; Duration 1:37minutes

Viewpoints Explained: Honoring Juneteenth: Millions of Americans now get Juneteenth off each year because of its classification as a federal holiday. But what does Juneteenth really signify? When did it begin? We highlight the importance of this historic day.

Host: Ebony McMorris

Compliance Issues Covered: History, African American History, Culture, Race, Equity, War, Government

F. Health

“Viewpoints” – Broadcast on April 9, 2023, at 6:01AM; Duration 9:22 minutes

Understanding The Unknown: Psychopathic Tendencies: Who do you think of when you read or hear the word, psychopath? Rarely does anyone think of the neuroscientist next door. We speak to two experts about what the term means in the medical world and why many people who have psychopathic tendencies can function in a non-violent, productive manner.

Host: Gary Price. **Guest:** Scott Lilienfeld, professor, psychology, Emory University; James Fallon, neuroscientist, University of California-Irvine, author, The Psychopath Inside: A Neuroscientist’s Personal Journey into the Dark Side of the Brain

Compliance Issues Covered: Mental Disorder, Psychology

“Viewpoints” – Broadcast on April 30, 2023, at 6:14 AM; Duration 7:06 minutes

The Secrets Found Through DNA Testing: What would you do if you suddenly found out you weren’t related to the parent that raised you? This is exactly what happened to author Dani Shapiro after she took an at-home DNA test. We speak with her about this life-changing surprise and why there are thousands more with similar secrets across America.

Host: Marty Peterson. **Guest:** Dani Shapiro, author, Inheritance: A Memoir of Genealogy, paternity & Love

Compliance Issues Covered: Genetics, Adoption, Fertility, Science, Relationship, Parenting, Psychology

“Viewpoints” – Broadcast on May 7, 2023, at 6:01AM; Duration 7:30 minutes

The Importance of America’s Social Workers: There are more than 700,000 social workers across America. We spoke with longtime social worker and professor, Dr. Anthony Estreet, about the vital role these professionals play in countless different sectors and why there needs to be more support and incentive for people working in this difficult role.

Host: Gary Price. **Guest:** Dr. Anthony Estreet, CEO, National Association of Social Workers, professor, social worker, Morgan State University

Compliance Issues Covered: Social Worker, Career, Mental Health, Psychology, Government Assistance, Healthcare

“Viewpoints” – Broadcast on May 14, 2023, at 6:01AM; Duration 8:49 minutes

Understanding Lab-Created Ingredients: Monosodium glutamate. Niacin. Riboflavin. We’ve all seen these labels at the end of ingredient lists on our favorite chips or frozen meals – but what role do they play? Are these substances harmful? We highlight the prevalence of processed and ultra-processed foods in the U.S., the ingredients in them and the importance of moderation.

Host: Gary Price. Guest: George Zaidan, food chemist, author, *Ingredients: The Strange Chemistry of What We Put In US & On Us*

Compliance Issues Covered: Diet, Nutrition, Food Science, Chemistry, Food Production, Health, History

“Talk of the Town” – Broadcast on June 4, 2023, at 5:30AM; Duration: 30 minutes

DOORWAYS: Talk of the Town Host, Grant Francis welcomes in President and CEO of DOORWAYS, Opal Jones. DOORWAYS is an interfaith non-profit organization, which provides housing and related supportive services to improve the quality of life and health outcomes for people affected by HIV and AIDS. Opal joins as DOORWAYS is collaborating with Food Outreach to launch a program providing housing and nutrition for people living with HIV.

Compliance Issues Covered: Nutrition, Affordable Housing, Mental Health, Nonprofit, Disease, Health

“Talk of the Town” – Broadcast on June 11, 2023, at 5:30AM; Duration: 30 minutes

Behavioral Health Network: Talk of the Town Host, Grant Francis chats with CEO, Wendy Orson and Director of Community Programs, Jennifer Miller of Behavioral Health Network. Behavioral Health Network is a 501 © 3 nonprofit organization whose mission is to improve our community by leading behavioral health planning and coordination through shared responsibility, accountability, transparency, inclusiveness, mutual respect, and racial equity. They create programs to help people who are under-insured or uninsured address their mental well-being.

Compliance Issues Covered: Mental Health, Addiction, Covid-19, Drugs and Alcoholism, Homelessness, Inequality, Nonprofit
