Re: Closed Captioning interruption

KVIA-TV is aware of missing closed captioning on its local programming. The problem originated on or about Wednesday, December 5, 2018.

Engineers have troubleshot and found the problem and are in the process of repairing.

KVIA is working diligently to address the problem.

We will update as soon as the issue is resolved.

A handwritten signature in black ink, appearing to read "Brenda De Anda-Swann". The signature is fluid and cursive, with a prominent initial "B".
