Re: KBCA Channel 41 change of frequency

Dear Sir/Madam,

Please let this serve as written notification that KBCA TV, channel 41 will be changing its frequency from channel 41 to channel 26. This process will be complete effective mid to late April 2019.

Enclosed you will find all technical information related to the new frequency, channel 26. The broadcast antenna is located in Glenmora, Louisiana.

During the pre-broadcast period and for up to twenty (20) days after commencing operations, should you become aware of any instances of medical devices malfunctioning or that such devices are likely to malfunction due to our DTV operations, please contact us at the number or email below and we will cooperate so that every reasonable opportunity to resolve any interference problem is afforded.

At such time as all provisions of this condition have been fulfilled and either upon the expiration of twenty (20) days following commencement of operations or when all known interference problems have been resolved, whichever is later, this condition lapses.

Please contact the undersigned below if you have any questions regarding this matter.

Respectfully,

A handwritten signature in black ink, appearing to read "Tom Poehler".
